# Prologue

Dear 17 year old me.

Tomorrow, I will finish elementary school tomorrow.

How are you? 17 years old me?

Are you in high school?

Whether the elementary school's study is hard or easy, there's no such concept, if you learn from the school and review at least an hour in your house everyday, anyone can take 90 points in their tests.

But, i heard that junior high and high school are different.

It seems that concepts that are hard to study shows up. Seriously troubled.

Are you okay? Me.

Can you really go to school?

...Hey, you're okay aren't you?

If you ever entered high school, I heard a rumor that you will have a big breast girlfriend if you eat at the rooftop.

This has taken long.

Anyway, tomorrow, I will graduate from elementary school.

The 17 year old me will surely fight against hard subjects, you should go to karaoke after school with your bit tits girlfriend.

I believe in you.

Then.

Yours truly.

Just what kind of brat am I?...I thought when I received the 『To my future me』letter from my past teacher.

To begin with, sending a letter to your 17 year old self is complicated. Usually it should be 20 year old.

I apologized to my past self at the same time.

Unfortunately, I ran away from the hard subjects and I'm at the low-ranks, as I'm an average looking guy, there's no way I'd have a big tits girlfriend. Having a girl on karaoke is a dream within a dream<sup>1</sup> Damn you bastards.

--But.

I embraced the 『Hope』of my 『Past me』and ran.

I waved my arm back and forth, turned my legs and run with my full strength.

Sports is never my weak point.

My reflexes are more than decent and I'm confident in my physical strength.

Running through the corridor packed with students, I ran up the stairs.

I disregarded the teachers shouting「Hey! Jinai! Jinai Hayatoo!」<sup>2</sup>as I pass through them. I'm running towards my 『Hope』you know. I dashed with all my power as I the 『Hope』might not come again. Don't obstruct me you barcode bald old man.<sup>3</sup> I'll never get bald!

『To my future self』is the letter I received three months before spring.

Time flows and it's the peak of summer right ow.

Today's lunch break.

I opened the door of the shoecabinet to buy bread from the convenience store.

I put on the light ragged loafer I wore for a year.

Riding on top of it is a pink colored envelope.

I was convinced the moment I saw it.

This is a thing called 『Love letter』

On the back are round characters of 『To Jinai Hayato-kun』 Okay! They can't avoid with 『I mistakenly put it in Jinai-kun's locker』 It's completely addressed to me. Falling in love for me completely. It would be perfect if she have big tits too.

—Now then, I reached third floor at last.

I stopped for a moment, I reached my knee and fixed my breathing.

Showing a confused face in front of a girl is embarrassing.

Let's assure it slowly as I climb the 『Last Stairs』 facing my 『Hope』

I walked on the stairs step by step.

A black bangs flickers to my sight. Gloomy. I should go to the barber soon.

My final check was my face reflected in the smartphone.

No problem. It's the usual average looking guy.

Finally. Finally, I will feel the springtime of youth.

I put out my 『Usual face』and 『Usual character』, even if I got confessed by the girl quickly, I shouldn't be strange.

Fuahahaha... What kind of face does the first girl to notice my too normal charm look like?

Could it be that she's incredibly cute?

Is her breast huge?

Though I finally controlled my breathing, 『Fue...fue...』 I breathed like a

pervert now. Shit, dangerous. The rooftop's door is already in front of me.

「Here we go」

Who will I meet? I muttered as I opened the door and go 『Outside』

Now, to my 『Radiance of Youth』

——『A few seconds later』

Instead of the usual scenery of the ordinary rooftop ...a blue sky and a magnificent grassland spreads infinitely.

The moment I saw this, I felt in awe『Feels odd』『Sky』, In my life 『It's something that I've never experienced nor heard』...『Grassland』...I say.

『Strange』

In front of me is not reality, unreal has spread.

Then, the sunlight was interrupted quickly.

That moment.

——That moment, the『Pure White Princess』is peeking at my face.

I see, this is the 『Radiance of Youth』becomes 『Young breasts』I think, I looked at the extremely voluminous breast of the princess.

Bwaaaaah ↔

陣内隼人 ↔

That's fucking 47! ↔

## Chapter 1: The encounter with the pure white Princess...

I had a sensation of 『Few seconds』How should I say it? It's like a gentle onee-san making a unpalatable dish. so to speak it feels 「Apologetic」

When I opened the door leading to the rooftop, my body was wrapped in a dazzling light.

The light isn't sunlight nor lightings.

It's soft, warm, but it's too dazzling to the extent I can't open my eye.

It might be the sun or the moon but it might be as well an eye of a small girl.

Anyway, I experienced an 『Odd』『Light』

When I got used to the light, I was attacked by a headache.

The pain feels like my head is being crushed by someone. It's quite painful.

It's painful as if my eyeballs are about to pop-out, I clenched my teeth.

But, the headache ends in an instant and my entire body felt hot afterwards.

My blood vessels tightened and my blood flows in an incredible speed.

This feels worse than the pain.

My arms are swelling, my pulse get faster, my breathing gets rough.

I haven't noticed that the blood changed something different— To illustrate my body feels cold like it has chewed a mint gum, then for the second time, the light scattered on my feet and wrapped my body—.

「...Y-You are?」

「Uhm...I should be the one saying that I think」

‘Certainly’, I thought

——It was too sudden but my nature was able to capture 『Odd』 sensitively<sup>1</sup>

That’s why, I immediately noticed that the girl in front of me is a 『Different Existence』 Still, if anything, it would be me who is the 『Odd』

「Where’s this?」

After asking, 「It’s a staple」and I was shocked.

Everyone would ask that question if they end up in this situation.

「—」

The girl’s eye rounded and wondered what to answer.

That expression is silly cute— in short it was cute.

「This is...My favorite place?」

「No, even if you ask me I don’t understand...」

「Fufu, you’re right」

A clean smile. A fruity smell. I want to bag it<sup>2</sup> so I can smell the scent anytime.

I finally raised my upper body and scratched the back of my head.

Then, I first looked at the beautiful blue sky, then gazed at the fresh and green grassland that spreads everywhere, feeling the refreshing wind—— the lastly, looked at the 『Girl』

「Err, I am Krafy. Krafy<sup>3</sup> Rosepoll<sup>4</sup>」

『Pure White』

The girl—Krafy is a beautiful girl which is suited to be called 『Pure

White』

There's no wrinkle at all, a beautiful pure white long hair.

A moisturized healthy white skin.

Her innocent childish face looks at me.

However, her whole girlish body is erotic. Her body line is projecting out her pure white one piece dress she wears, the size of her breasts, the plumpness of her thighs are also remarkable.

「What's wrong?」

Krafy inclined her neck while narrowing her blue eyes a bit.

Her pure white hair spilled while she speak.

「N-No.... Err, I am...Jinai Hayato」

「Jin nai haya to?」

「Yeah. 」

「Jinai...Hayato, is it?」

「Yup, that's it」

Is the naming culture also different?

——I sequenced why I'm lying in such a place.

——A mysterious light, and a headache and a disgusting experience.

——The beautiful pure white girl in front of me, no, she's more of a 『Princess』rather than a beautiful girl.

This level of insensitivity is on a fiction's protagonist level.

The cause and reason is unknown. However, the answer is certainly right.

「For some reason...Probably, I came from 『Other World』I think」

Though it's ridiculous and laughable, it's the reality.

Bullshit, No way, I hate the reason but this is another world.

「...Fufu, Is that so?」

—Krafy smiled once again.

Does she look at me with eyes of doubt...?

Does she believe the strange words of the man she met at first time...?

She's like a goddess. Too cute, too gentle, just hearing her voice and my head seems to get pregnant.<sup>5</sup>

「Well then, Jinai-kun」

「N?」

Krafy stood up and the huge breasts of her wrapped by the thin pure white dress shook.

I noticed it late that she has a basket of vegetables on her right hand.

「I'm sure that you're anxious because you don't understand, I'll teach you various stuff」

「Really?」

「Yes. My house is over that way」

She pointed her fingers at the snugly compact wooden hut.

「Ehehe. Isn't it a cute house?」

「...Y-Yeah」

「Anyway, please come with me」

「Uwah!」

My right hand was wrapped by a warmth that I never felt before.

——Looking at it, Krafy's white hand is grasping my right hand.

Then, Krafy's body and face approached before my eyes.

An insanely good smell...The cleavage can also be seen...Gulp.

「Uhm...I did tell you that I'd teach you various stuff, but actually I'd only want to speak with Jinai-kun. Ehehe」

Is it because I am an 『Otherworlder』?

Suddenly transferring me to another world, a sudden beautiful girl, suddenly our hands are connected.

I see...Fuu...

Me of that time doesn't expect 『What happens tomorrow』

Furthermore, even if it was expected, I'd be able to do nothing.

※ ※ ※

The first time entering a girls room feels very dull.

It's not bad. I do love this kind of atmosphere.

It's seen as compact on the outside and the inside was the same. But, instead of feeling cramped in the narrowness, but the narrowness gives the sense of security.

The furniture are at minimum. Desk and chair made of wood and a wooden bookshelf.

There's a kitchen but the tree was used as the cabinet as expected.

「—It's quite different isn't it? Jinai-kun's world and our world」

It's already an hour after I entered Krafy's room.

I was given an explanation about in this world to some extent.

That said, I think that I won't understand unless I see it or understand it, it's really a rough outline...

It's summarized briefly.

This world has five regions called 『City』, it's being controlled by the 『Demon King Capital』—It's a world where magic prosper.

Basically, the 『Demon King Capital』 distributes the tax system, laws

and management. Since it's so-called dictatorship, the rumblings of discontent is heard from the citizens. But, they must have 『Power』to oppose demon king capital, at present the citizens have no choice but to follow.

It feels like the entire world is like Hokkaido melting...Should I say that? 『Witch's Hat』...might be true. Anyway, that's how it is.

Then, here is 『The place where Krafy lives』it's on the southwest of this world. 『Azalea City's』 corner, the prairie region. It's usually a place where a normal person can't live.

「Why do you live in this place? Isn't Azalea City such a prosperous place?」

「It's because I like here」

「Eh?」

「A place with clean air and no people— I love those places」

「But...」

「There's food on the field, it's enough that I go to the urban areas occasionally for the necessities」

Could it be that Krafy is...

「Hey, friends—」

「I-I have you know? I do have friends!」

Krafy refuted desperately while her white cheek blushed. Cute.

Following the outline of this world, Krafy is a 『Loner』, I understood that.

Next is the difference in civilization.

It's a template flow. The world I came into have science and medicine almost nonexistent, in exchange 『Magic』 is prospering.

Flame and Ice can be generated on the tip of the finger, wind can be manipulated, wounds can be cured.

In a sense, the world I came into is wonderful. As expected of the otherworld.

By the way, even there's a iron making technology like making weapons such as swords and shields, it's still in development.

Since cars doesn't exist, distribution is mainly done by wagon it seems.

「I guess if there's magic, mana is needed」

「Waa. Why do you know?」

「Ah...」

I can't explain that I've read it on fictional manga—— When I explained it by the way, Krafy had a 「?」floating over head but I deceived her.

「Well, I knew it somehow」

「Somehow...! Amazing!」

「...Then, how's it?」

「Yes?」

「Do I have some amazing mana hidden?」

Also, is there a magic that can disable all attacks?

Do I have a secret power to defeat the demon king?

「—Nmui...No. It's fairly ordinary mana, I think」

Saying that while having a sparkling smile...

「I see」

「Are you depressed~?」

「Nah」

「Ah, you're sulking」

「Gu」

「Ehehe」

This girl...

——Oh well, the explanation is enough at the moment.

I explained the main points of my world to Krafy.

「Or rather, Why did you believe me being an otherworlder?」

「Fue?」

「Isn't it suspicious?」

「Uuun. Why I wonder. I guess that Jinnai-kun has some fresh fresh 『Mana』with insignificant amount, and you wear clothes I've never seen before...Something like that. But...」

「But?」

Krafy breathed in.

「——Intuition. I feel like it is somehow」

I'm greatly thankful for that but I should 『Warn』her just in case.

「Don't believe on other people too much by your intuition」

「Why is it?」

「—...」

Stare...I stared at Krafy's big breast.

Pure white one piece dress. Thin, short length, in short, erotic.

Even though it's neat as the degree of exposure is high, it's even more erotic.

Krafy noticing my glance, she opened her mouth.

「...It's not that each and everyone are good people」

Small, it's like that.

Then, Krafy loosened her mouth.

「It's okay. Jinnai-kun is a good person」

...that's not the problem but, I feel that I can't say anything more than that.

Seeing Krafy's smile, my heart feels warm.

(Looking at her boobs, my crotch feels hot) What I'd like to know next about this world the most is the 『Method of return』

I asked the 『Pure White Princess』that lives in the prairie thinking that she doesn't know but—Just in case.

「...Ah, it's dusk already」

The dark red color of the sunlight illuminates the window of the hut.

The sunset in this world is much more beautiful than my world.

「It's getting tiresome to talk about difficult stuff. Let's continue it for next time...」

Krafy stood up from her chair.

「—Do you want to eat?」

「Y-Yeah」 I nodded

First time visiting a girls' house and first time eating a girl's meal.

This is dangerous...The odd effect of the otherworld.

Furthermore, the partner is the cute princess, the beautiful pure white girl.

(Isn't it the best?)

‘Fuun, Fuun’, Krafy went to the kitchen while humming.

The sweet smell that scatters makes me happy...Shit...too cute...

—I who's simple and idiotic already forgot the 『Love Letter』at this point.

Or rather didn't I already have mana? It seems that it's only on small amount.

Then after that, the happy time I spent with Krafy was...

※ ※ ※

Cold.

I woke up with my body trembling.

(Huh?...Ah...When did...)

The smell of unusual futon. It's soft and fluffy as usual.

Unfortunately, it's not the same futon as Krafy.

Another unfortunate thing is that I spent the night with the 『Pure White Princess』under one roof, nothing shameful happened. I remained as a virgin.

If I must say, there's one. When Krafy went out of the bath, she has the usual habit of wearing her bath robe and going to the living room then she meet me—What an event.

「Hyaaaa! I-I'm sorry! Also...Please don't look! I'm sorry!」

'Please don't look', for some reason she's bowing, I was lucky and I saw the cleavage wrapped in her steamy hot bath towel perfectly. I haven't seen her nipples but I saw her 『Pink Colored』Areola.

(I-I want to fap)

I replied seriously, recalling that scene can make me wank three times.

Krafy is such a cute child but her body is too erotic. Her breasts are big, she's plump on all places, she's young.

「As expected, I can't masturbate6 in a woman's house」

「——Shiko7? is it?」

「Yeah, masturba—waaaaaaa!!」

「Pyaaa! G-Good morning!」

「Good morning! I'm seriously sorry!」

「W-why?」

Getting up suddenly, Krafy's ass fell.

Her pure white long hair has some bed hairs. Uumu, bed hair is also good.

Since she's wearing loose pajama, there's no underwear.

「.....」

「.....」

「.....By the way, Jinai-kun, what's 『Shiko』?」

「Aaaaaaaa, I want to bath in morning sun!」

「Pyaaa! Ah Morning Sun?」

「Yeah, morning sun」

「W-well then, shall we go outside? I want to dry the laundry too」

「Yoisho Yoisho」, Krafy stood up while thinking aloud. I stood up too and sighed. Fuu...It's a great morning but I'm already tired.

——What's this feeling?

It's not like I'm unsatisfied with this world, this world isn't that bad or rather...Well, right now I'm just having a chat with Krafy.

That's why 「Is it fine if I return a bit more late?」I had such thoughts.

Right now, I'm chasing Krafy's back——I sniff the walking Krafy's scent——Stares at her shaking ass——It's quite enjoyable.

「Uhm, somehow I feel some strange gaze. I-I guess it's my imagination...」

「Fuwaaa...」

「Ah, happiness run away with yawns?...fuwaa...waua. I also did it...」

I made sure that Krafy didn't realize my true nature by making a false yawn.

I mean, happiness running away with a sigh...

「The supper yesterday was vegetables but could it be this morning too?」

「Of course. Vegetables are amazing」

「About that」

「It's also highly nutritious」

I talked about the contents of the breakfast while taking on the shoes.

Then—

「Waa! As expected, the grassland air is delicious」

Krafy spreads out her arms, The sun, the blue sky, the wind.

Her beautiful pure white hair flutters—.

This kind of repose, I might be looking for something deep inside.

Even in the middle of the very long consecutive holidays, no matter how famous is the tourist destination.

I never felt it in this world, repose—happiness.

Just like that, Krafy inhaled the delicious air, eat breakfast, I'll ask the『Method of Return』while hearing her story in this world again.

There's no need to hurry.

『I don't want to hurry up』 is much more appropriate.

「Hey, Jinai-ku...hi, hyaaa!?!」

The sun hid in the cloud and the wind stops.

The vicinity dims and it became chilly.

——Then Krafy that's a bit further than me sank in the surface.

It's prepared soil in front of the hut but it turned to a garden.

That part— The place Krafy is standing turned into 『Black Pond』, Krafy was swallowed.

「Wauu, Jinai-Kuuun!!」

「Krafy!?!」

The swallowing speed is too fast...1

Her knees are already swallowed by the black pond, but there's still time.

I finally approached the black pond and extend my hand to Krafy—but.

「Grab it! Krafy!」

「——Nuaaaaa! Hya, I can't—...!」

「Wha?!」

Gyooon.

Krafy's body was swallowed by the black pool several times faster, she was swallowed in a flash.

Then, I just have to squat and reach for her this time.

I'll reach her if I do.

Krafy stretched her hand to me, this time Krafy will be...!

There's no time to think. I need to take action.

「Kra—」

——My hand gripped empty space.

I didn't make it in time.

If I was a second faster, I wasn't able to grab Krafy's hand.

In the end, Krafy didn't have time to speak, she was swallowed by the black pool, she completely vanished in front of me.

「...What the hell is that?」

Just what on earth is going on.

Who's act was that. Where did Krafy go?

Why—Krafy is.

For me, Krafy is like a 『Princess』, usually, she's just a beautiful loner that lives on the prairie...

There's no black pool in there anymore.

The cloud in the sky isn't seen anymore, the dazzling sunrise is pouring down.

「—」

Lightly...lightly...

A single paper dropped in my hand.

「...?」

What a dirty character.

But, it's written in Japanese, so it's possible to read.

—Krafy Rosepoll is taken by the demon queen—

Just one sentence.

For me, that one sentence is enough.

「Demon king...woman king...」

I recalled the conversation yesterday.

Distribution and tax system, the top of this world's law and control—The demon king capital.

Then, the most significant existence in the demon king capital, 『The Demon Queen』

Krafy is decided by the demon king's heredity system.

.....○  
.....○  
.....○  
...○

(――I)

Recalling, 『Short Memories』

Krafy's smile. Gentle voice. Warmth.

...Also, that big thing.

I haven't returned my debt yet, there are lots of things I want to hear.

Then, I thought about the circumstances.

(――I, maybe there's the possibility of rescuing Krafy) The possibility is almost zero but it's enough to raise my morale for a bit.

Instead of returning to my previous world, it's enough『after I rescued Krafy』

Isn't it okay?

For some reason, there's also the excitement holding back my anger.

From here to the demon king capital, is quite far away from the map but I'll go there in order to save Krafy. That's right. Let's accept the reward event after rescuing her. That breasts...Please let me massage Krafy's flabby big breast.

Okay, I got fired up.

「—?」

Then, another 『Present』 from the sky.

Ignoring Gravity, it falls with a relaxed speed——『A black Book』

What's that?

I received the book with doubts and fear on my mind, then—.

「—!?!」

—I opened it without hesitation.

It's a valuable rare thing in this world, I know that it's a terribly strong grimoire, just a bit more.

## Chapter 2: Big breasted, mini sailor uniform, Arina.

—The second day after I visited this world.

In the southwest of this world 『Azalea City』

It's approximately a three hour walk from the corner of the prairie area where Krafy Rosepoll lives, I reached a location that seems to be an urban area.

A big gate stands in the borderline of the urban area that's on the vast grassland.

After admiring it for a while, I passed through the side of the gate keeper under the gate.

「Uoo—」

Urban district, shopping district, city's heart.

Words that suit for the townscape has spread suddenly., Both sides have public stores lined up. There's also weapons shop, building store. The pedestrians are also abundant,...Thinking about it, it's the first time I saw humans other than Krafy in this world.

「Oh, isn't this vegetable cheap?」

「It's today's special」

「Okay! Make two」

「Okay」

I walked on the town slowly while listening to the conversation on the vegetable seller and the customer.

.....Uuun.

Don't be bothered by the gazes.

I know the reason.

Clothes...I guess.

I wear slack shirt. It's completely a high school summer clothes.

On the other hand, the clothes of the people waking in the town, how should I say it?...『Casual Clothes of the fantasy world』 It's quite dark, it's ragged somewhere.

「Whose that guy?」

「Dunno」

「Is he a minion of the demon king capital?」

「Is he here to pick up tax?」

「No, he's not a man liked by Miriza-sama」

The unease is at max. It's like a bad feeling when the class members are strangers to me in a selected subject. I'll die.

...Don't look, don't look, I'll be a hero from now on.

...I came to save Krafy from that Demon Queen.

While thinking about it, I glared at those who look at me suspiciously—.

「...Sorry, Sorry」

——What can be done, a small apologetic voice and went to the arcade quickly.

※ ※ ※

『Pure White Princess』 The big breasted Krafy was kidnapped, I made my 『Resolve』, I didn't come to Azalea City to seek for human warmth.

My grades are pretty low, I'm not the type who thinks hard.

First, I need knowledge in order to survive in this world.

I got minimum knowledge from Krafy but, Krafy was kidnapped

immediately after, and I have touched the 『Unknown』immediately. For example, the『Black Book』

『...Uooo』

The black book is relatively heavy, the inside is just one sentence.

A tremendous 『Odd』cold style character was written, one sentence that feels 『Obscene』

『What's this?...』

When I finished writing the sentence quickly, the black book flipped and, turned into black liquid and scattered into the air, thinking about it, it gathered and aimed at my body.

The black liquid is soaked in my body in a moment.

I didn't feel any pain and discomfort in the process.

Instead, I felt that I've received a『New power』—.

「.....Ugu!」

——Then, I'm reading the 『Thin black book』 right now.

It's a dangerous magazine that was sold on the endmost public store.

The title is 『Violating horny women, young fruit volume』 The second book I've read in the otherworld is an eromag...It's the usual me.

Or rather, this 『Adult AV actress ♡ Hasuna-chan』is cute. The feeling of the explosive breast is intolerable, the beautiful black hair is also irresistible.

Oops, the story has wondered already.

In the end, what I want to say is I went to the 『Library』

Library is a treasury of wisdom.

The fact that the Azalea City's urban area has a library makes me at ease.

If I visited the library, I'm sure that I would know the 『Black Book』I picked up yesterday, I might be able to gather some unexpected knowledge.

Well, what's written on the black book is a 『Sentence』of 『Power』that I assume I will master——There's no need to know anything more than that in particular——but.

「——Ha?」

The article after the Adult AV actress Hasuna-chan.

The page switched from black to white and a certain actor's interview appeared.

I instinctively tilted my head to the header.

「——Haa?」

The actor is filled with confidence. A good looking man. Better than me.

I did scan over the interview about Hasuna-chan's experience but... There's something I 『found』where I can't get my eyes off.

——Super famous actor magazine exclusive interview!

——His penis is at throttling seven centimeters when erect! (Actual measurement of the editing set) ——What's the secret of the biggest penis in this world?

.....What?

Then, I look through the interview contents. In there was the actor's full length talk of him being filled with confidence on the 『Size』of his dick Is this one cut from the AV?

—There are uncensored images sprinkled around the interview—.

(S-small...)

Small.

It's overwhelmingly... small...

(It doesn't exceed even half of mine. )

...Yet, the actress is already making a wonderful ahegao.

The AV actress I fell for at first sight, Hasuna-chan's one cut has her expression really pleased. She can feel it.

No, what's this?

Isn't the erect dicks of upper elementary school students even bigger than this fellow?

They say that penis isn't just about the size but small is fatal indeed. Does it reach the womb? Does she get pregnant? eeeh?

In the first place, women like bigger penises by all means.

C-could it be that the size of man's penis in this world...

(W-what? This 『Strange connection』...)

For argument's sake, I acquired 『Power』from the 『Black Book's』 『Sentence』

If the average size of a man's thing is like what's written on this article.

—If that's the case, then I'm a 『Chosen Existence』...I thought.

No, it's definitely not like that, I don't want to think about that.

Seriously, what should I do?...I...Did I become this other world's savior?

Should I make a bishoujo harem? What could it be?...I can't laugh at it...

(I only want to save Krafy. It's nothing to be ashamed of—)

I shook my head and shut the eromag.

Anyway, library, library. Let's calm down in the library.

—At that moment.

On the way of the crowd that has cooled down.

I bumped into 『Something』 and my ass fell.

「Ouch!」

「—Un?」

I put out a miserable voice. Embarrassing.

Holding the feeling of shame, I probably knocked a woman, I judged it from the 「Un?」sweet voice and aroma.

I should apologize sooner and 『A man bumping on women on purpose』might be a rumor inside the school, awawawawa...—Ah, this is the other world.

「Hey, are you okay?」

The time is around noon I guess.

The girl has her back facing the sun so I can't see her face.

But, guessing from the 60% warm and 40% cold feeling from her voice, I infer that she has a so-called tsundere face.

W-wait...

—The girl slouched to lend her hand.

Her two fruits dangled in her chest—.

Aren't you tsundere...? it's big breast...Big breast you know...!

「Hey. ...W-where are you looking? Are you really okay?」

The moment the sun was hidden by the small cloud, the girl's whole face is revealed.

—It's dignified as expected. But, the kindness and honesty isn't hidden inside completely.

Her body line is overall thin but her chest and ass is coming out firmly.

The clothes of that charming woman is...not 『clothes』but a 『Mini sailor blouse』. It's a short sailor blouse. The breast has enough volume to be concealed, her beautiful navel is in plain view, her specs are the best.

Of course, the skirt is short too, her panties is likely to show when the wind blows.

Her thin legs are wrapped up in a navy blue knee socks and it looks good with the mini sailor blouse.

She has a black sword carried on her waist. ...Is she a 『Sword user』?

「...Err」

What's with this erotic cosplay? I haven't heard about this.

「...W-what?」

It seems that she's a bit suspicious of me.

—The wind blows.

However, only her semi long black hair with a two side up hair style is

the one that swayed, unfortunately her miniskirt didn't roll up.

「Uhm, I'm...Jinai Hayato」

「Self introduction in this situation?...Nsho—to」

「...So. Thanks」

「Don't mind it」

I stood up being pulled by the girl's hand.

When I stood up and faced her, her height is lower than me...un, I thought she's a young girl.

Her height is about 153~154 perhaps.

The size of her breast is...F...No, it's G... Crap... Biiiig...

「——I'm Matachi Arina」

「Arina...San」

「Fuun. Calling someone on their first name so suddenly」

She sent a provocative glance while putting her hand on her hips.

The air softened a bit.

「Well, fine. Then, where do you want to go?」

「Eh?」

「You're lost aren't you? It's shown in your face」

The big breasted mini sailor blouse knight has some good perception.

I should speak honestly here.

Honestly, I don't know where's the location of the library.

「I heard that there's a library around this area」

「There is. Or rather...Actually I have a business with the library too」

「Oh, Really?」

「Yes. Should I lead you there?—Specially...」

Smiling mischievously, Arina drew her face into me.

For a virgin boy like me who hadn't talk with women that much, that gesture is too dangerous. I had a 『Misunderstanding』 for a moment. Dammit.

「P...Please」

「N, roger. Come with me. It's close」

——Then, I was taken by the beautiful girl named Matachi Arina and went to the library. I concealed the eromag on my back...I threw it on the trash can along the way...

※ ※ ※

Umu. Even if I came on the other world I can't escape study.

Several hours passed, evening.

I and Arina left the big library that has almost the size of a shopping center, we walked on the open space in the site—

「Did you get what you want to learn?」

「...About 80% I guess」

「It seems that you've learned a lot. That's good」

「Thanks to you」

「Even for me, it was a valuable meeting. —I never thought that you're an『otherworlder』」

I explained my situation to Arina when we're going to the library.

I who came from another world, the woman I first met was kidnapped by the demon queen, then, I decided to rescue that woman.

Aruna nodded lightly and understood.

「Are otherworlders not unusual」when I asked that——「It's quite rare but if you have this magic prospering, it's not strange」then her black hair swayed as she answered.

「...Arina is somewhat kind」

「Wa, Haa!?!」

Oo, that's her loudest voice.

Arina who walks ahead of me had her breast shake violently and she looked back with a red face.

「I-It's not like I'm kind... It's just... I just think that everyone has their own worries and circumstances...」

「That's kindness」

「——T-that's not true!」

As I expected, she has the Tsundere character.

「That's why you don't ask for the details?」

「...Details?」

「The girl I met for example」

「...I'm interested. Because those that are targetted by the demon queen has some sort of 『Secret』...Or 『Power』」

Krafy's special power?

Certainly, the men and women's hearts are pleasant and they have power<sup>1</sup>

Warmth like a goddess...gentleness...breasts...it's irresistible. 2

「——However, it's possible that you don't want to talk about it so I won't ask. Isn't that true to all? That kind of thing」

「Well yeah」

We began to walk again, Arina murmured.

「...Even I .....」

She has some kind of secret too, so she doesn't step in other people's

secrets.

It's cowardly, but, I think it's 「kind」

Matachi Arina has an erotic appearance, her insides<sup>3</sup> seems to be firm.

「Is your feelings of wanting to defeat the demon queen true?」

「...I'm not confident in my power yet, that's my feelings」

「Fuun. I see」

The evening sun sinks. Arina's back is becoming dark.

Going out of the library site, I kept walking on Arina's direction. I don't know where she's going but I don't mind continuing the talk.

「You heard about this world from that girl didn't you?」

「Yeah. I studied a lot today」

「—Then, what do you think about the demon queen?...what kind of existence is she, you do know it right?」

「Yeah..」

According to what I examined today, the dictatorial act covers a lot.

Arbitrarily raising tax. Production of arms and crop, most of it goes to the demon king capital. Other from that, those who oppose the demon queen is punished immediately, disregarding the law and the rights. Just like kidnapping an excellent magician...et cetera.

They dispatch 『City Owner』on the five cities that the demon king capital control, and each city lay out a harsh system.

「Actually, I also want to defeat the demon queen someday」

「.....」

「Someday——marching into the demon king capital, with this sword...」

What happened to Arina?—I got curious.

The 『Kindness』is still not enough for me.

Curiosity, the interest can also be as frightening as hatred.

「――I see」

「Un」

That's why, I, just chased Arina's back for the time being, I decided to harvest knowledge in the library.

First, about yesterday's 『Black Book』

It seems that it's called a 『Grimoire』There are several volumes that exist in this world, 『Just by looking at it you will obtain magic equal to god』it seems――.

I opened it and the book becomes a substitute 『Magic Grain』, reading the book penetrates your body. Then, it bestows magic. No one knows the timing of it's appearance.

...In short, I had that『Power』in my hands.

It's quite an obscene power...

If used well, I think I can have the power to help Krafy but...

I also checked the 『Sexual circumstances』of this world.

The size of male's genital which is published in the magazine and the structure of female genitals.

The conclusion was that the eromag speaks the truth, in this world the average erection size is five to six centimeters. It's about my thumb.

Because it's measured from the root and pressed forcefully, if it inserts vagina, it's actually approximately four centimeters when inserted.

This world only has 『Four centimeters penis』...

Then the female genitals are also 『Small』 『Four centimeters penis』that reaches the innermost spot would mean 『Too small』

――That's not strictly the case.

Seeing the structural view of a female vagina, it's approximately the

length of a 『Loli』 It's not 『Loli Loli』but 『Loli』4 『Loli P\*ssy』

Certainly it's small but it's not unreasonably small.

When『Four Centimeter's penis』thrust in, there's still some room inside the vagina. Gyumumu~ It closes up.

『P\*ssy』is a sacred area that's filled with elasticity, when the vaginal walls are filled with a big penis, the womb can feel it being forced...

...Ah, the hymen is barely broken because of the short penis...

Then, how do they fertilize if the glans doesn't reach the cervix?

As expected of the 『Other world』

After ejaculation, they work it through with magic, the sperm given to the vagina crawls vigorously—then slips into the womb I guess. Lewd.

In summary, the dicks in this world are considerably short.

The total length of female's vagina is small 『Loli P\*ssy』

It's the norm for everyone so they're satisfied with the pleasure.

——Girl's P\*ssy should feel 『Pleasant』『Deeper』...

「Hayato」

「Y-Yes」

「...You're thinking something strange」

「T-that's not」

「...Your face...that, expose that you're thinking something l—lewd.」

Saying that 「Your face is lewd」 Cruel... Anyway, Arina also has a 『Loli P\*ssy』

After organizing my thoughts, I pay attention to reality.

The sun has fallen completely, the vicinity is wrapped in darkness.

The crowd got less.

「By the way, where are you heading?」

「The most crowded place. It's almost time for dinner」

Arina said 「Just a bit more」, when I listened carefully, I can hear voices not far away.

Eating dinner with a girl.

『That magic』I gained from that 『Grimoire』, or how should I go to the demon king capital after this, there are lots of things I have to think but, for the time being eating dinner isn't bad.

「Hayato, is there something you'd like to eat?」

「Ramen」

「Raamen? I haven't heard about that...」

「Seriously?」

「I-Is that really famous?」

「For me」

「Fuun... Then I'll ask about it—」

Please try asking around the world...I tried saying it while laughing.

—Zozozozozozo...

Me and Arina were attacked by a chill, then it seems that the two of us became frightened by the trembling air from the 『Back Alley』

Mana or Magic? I can hardly understand it but I was able to feel the fear of something that kind.

Huge and powerful...A deep black power—soon here...

「Good evening~... My beloved best friend, Matachi Arina-chan♡」

Sticky with the thick lotion, an alluring voice.

Ears, just the ears feels pleasant.

The other parts of the body can't be moved directly.

『Assailant』has an intimidating feeling.

It's the first time experience in my life.

「—N, Awaa」

.....?!

Along with the smile of the assailants, what's in front of me and Arina are 『Two Enemies』 appearing.

Both are 『Male』

Typical man. Usual man. ...They're quite older than me.

They're walking aimlessly like a zombie. The arms stretched loosely, the mouth is just open, and...they laughed foolishly—

「...What's your business today? ...Miriza Silkwire」

The air was torn by Arina's cold words.

In a certain building's rooftop, a blonde girl with a bewitching aura looks down on us crossing her thin legs...『Miriza 』

[Previous]—[ToC]—[Next]

確かに、世界中の男性諸君の心をぽかぽかにするチカラとかはありそう。↩

I think he's referring to Krafy ↩

No, it means her personality, you perverts ↩

He means that it's not their height, but their pussy ↩

## Chapter 3: Arina who fainted...

### —Assault

In front of us are two male zombies and a blonde woman.

That said, the blonde woman is just sitting on top of the three story building with her legs crossed and is looking down at us. Looking closely—, the blonde woman's big breast is wrapped up in a black-pink colored bikini, below she wears something like a bloomer. Others are raw skin...She doesn't have much defense.

「Oi, Arina」

「——Don't be impatient. Also, Hayato, don't move. You just came 『Here』, so you can hardly fight」

「Gu...W-well yeah」

After saying that, Arina pulled out the black sword from the sheath and took a stance.

A thick long silver blade that the point makes a sharp glint.

「Miriza...I think I haven't seen you lately...」

「Aha. I also have my own troubles」

「You're just doing as you please so where's the 『Trouble』you speak of?」

「You're abusive as always, Matachi Arina—. Well, do it」

The blond woman—『Miriza Silkwire』laughed

「Cute, cute...My cute dolls...♡」

Then, the two zombie like men in front of us squeaked, kicked the asphalt and approached us.

I moved backwards in surprise.

I was surprised by the sudden movement of the zombie men...there's that but another thing, I can't say it well though...It's something like, I feel a strong mana...or something like that.

「Fuun. It seems that you can sense mana to some degree. Or is it bloodthirst?」

Arina who's wearing the mini sailor blouse looked back at me.

Her semi-long two side up hair. Black eyes. Ready her sword.

I nodded silently and everything——『Shook』

「Well, please take a look. 『This world's』『Fight』. I'll teach you personally the 『Matachi』I inherited...!」

The ground rumbled—.

Black magic wraps up Arina's body—.

Then, the black magic is collected at the sword.

Mana breaks out and made 『Wind』, Arina's miniskirt was rolled over. ...  
The content is a cute pink colored panty.

「Of course! I'll teach you no matter how many times! Miriza Silkwire!」

——The two zombie men run and aimed at Arina.

——There was still some distance but Arina pulled out her sword and scythe down quickly.

「Uooooooooooooo!?!」

Zubashuuuuuuuuuuuuuuuuuu!!

『The sword scythed down』

The black mana that's on the sword was swung—Yet.

A 『Unimaginable wind』attacked several meters with Arina as the center.

The worn out Y-shirt was torn off, feeling a tingling pain on the body, it becomes difficult to open the eye.

A terrible wind——Arina and the sword generated it.

「Gugaaaaahaaa!？」

「Geoooooooo!!」

Though they're still far away, Arina's 『Wind Sword's』attack was received by the zombie men upfront, they were blown off magnificently and their backs fell on the ground.

The zombie men's clothes were in tatters.

「Fun—Isn't it much disappointing than usual?」

After the wind stops blowing, Arina put her sword away and looked up at Miriza smiling proudly.

Somehow, the big boobs that sleeps under her mini sailor blouse is also glad.

She's filled with confidence with her exposed navel and side.

「.....!」

On the other hand, the blonde big breasted Miriza Silkwire narrowed her eyes that has a golden glint, looks down on us mortified while biting her lower lip.

As a result, Arina got her ego boosted further, she snorted once again.

「Arina, who's that?」

「—Miriza. Miriza Silkwire. Her personality is shit and she's a shitty slut that loves men. Also—...She's the 『City Owner』of this 『Azalea City』 In short, she's under the control of the demon queen」

「City...Owner」

I learned about 『City Owner』from Krafy.

The demon queen has a direct subordinate placed on each of the five 『City』. The existence the demon queen can trust. Those『who have power』 The ruler and owner of the city.

「Her looks and character and the magic she use are all bitchy. I don't know the details but she can make a magic contract on whatever kind of man, that man's body is controlled like a 『Gum Doll』」

「Gum Doll? The arm...is stretching?」

「That's right. Men manipulated by Miriza has their body shrink and extend freely 『While being manipulated』—According to rumors...Kya!?!」

「According to rumors...? Uwaa!?!」

Guooooooooo.

A『Flesh colored object』interrupts our conversation—.

I and Arina had an 『Arm』『Stretching』to us.

The owner of the arm is one zombie man that Arina had already blown away earlier. It managed to stand up even in tatters.

「What!? Even with the distance...the flow of magic should've stopped for several minutes because of the attack of the Matachi Style sword...!」

「Guhii...Guhihi...Miri...za-samaaa...! Miriza-samaaaa...」

「Hii...! Kuh...! Once again...!」

「Tsk! Stand back! Hayato!」

Following Arina, I stepped back.

I feel so frustrated that I can't do anything to help right now but it can't be helped.

Then, Arina gripped the sword and the black magic appeared again but—.

「Muda Mudaa.1 That's disappointing...Matachi Arina. Kusu2」

It seems that the mortifying expression of hers earlier is just an acting.

「You're just bluffing——Kyaaa!?!」

「Arina!?!」

The zombie men——No, the gum doll men had it's four 『Extended arms』 gripping Arina's limbs.

It's almost like a tentacle.

Arina was raised to the air in a blink of an eye, spreading her limbs, she looks ridiculous like a 大.

「...This...! It's...longer than...usual...!」

「Aha—. You see? I was ordered from above that 『I must not forgive those who resist anymore』. Incidentally, I also got 『Magic reinforcement』 drug♡」

「Then...that means that they recover faster...?」

「Yup—♡」

Kusukusu...finishing her bewitching smile, Miriza jumped to the ground.

—Tan

A light landing sound.

—Tapun~

The sound of her lewd tits shaking.

Seeing her closely, it's even more erotic. She's completely a slutty oneesan.

「To that cute boy over there, should I tell you what Arina is about to say? 『According to the rumors』—when you're manipulated by my magic it feels really painful, but it also seems to feel really good. Plucking the arms and stretching them...ouch it hurts...but...if you get addicted to it...

Aaaahn...you'll feel aroused, aha~」

Her long brown hair is a bit quirky.

『Lewd Beauty』is the best match on her expression.

Golden eyes that shine in the night sky, sharp bridge<sup>3</sup>, pink colored lips.

The style is exceptional, she's even plumper than Arina.

The shiny black pink bikini wraps up the volume of her big breasts.  
Plump waist. Plump hips and thighs.

—『Azalea City's』『City Owner』Miriza Silkwire

Miriza approached Arina while her high heels beat the ground.

「Giving up?」

「...Fun...No way...」

「How dare you, oh well, how can you say that in your disordered appearance」

「...Kahaa...」

「Oh? Was it too strong?」

Gichigichi—, Arina's body screamed.

The『extended arm』pulled both her arms and legs.

Spreading both legs, her miniskirt rolled up and—Her panties are seen again...the thighs are being whipped...

Hey, what am I thinking while Arina is suffering?...

「Haa...Aaaa...! You...!」

「Tax, or monopolizing products, or being an amorous woman...  
Kusukusu... This is what happens on those who rebel against me」

「Agu...!」

「I have to punish the bad child—Aha♡」

Finally, Miriza stands up in front of the captured Arina.

Then—Boooo...A『Whip』Appeared in Miriza's hand.

「One...two!」

Ruthless—unusual—and an indecent expression.

Miriza swing the whip along with a happy signal.

—Bashiiiiiiin!

An intense sound.

Miriza's whip hit Arina's soft body strongly, it made an exploding sound.

「Hyaaa! Ahyaaa!」

「Arina!?!」

「Ahahahahahaa!」

The『Extending Arm』let go of Arina because the power was too strong. As a result, Arina who received the impact was knocked away from the gum doll men and—bumped into my body.

「Gu! H-Hey! Are you okay!?!」

「Aha. Was it too strong? Have you lost your consciousness?」

「——.....Au」

Certainly, Arina is exhausted.

I shook Arina again and again... but there was no answer.

Looking at her face, her eyes are closed—Her lips is half-open—She really lost her consciousness.

Shit...if this continues...we'll be done.

I don't know when Miriza will start trying to kill Arina but, It's obvious that she's 『Bad』at glance.

There's no need to think, and I'm Arina's friend.

Then, what should I do?

—Right now, I can't do anything.

I have some magic but I haven't practiced it at all.

I can't handle sword Arina's sword nor can oppose them.

—That's the 『Me』right『now』

「I won't let you run, Hey, catch them!」

「Ugooo! Chasing!」

「Miriza...Samaa! Fuhiii!」

「Dammit...! What disgusting guys...!」

Before I noticed I was running in the back alley in the night carrying Arina.

Anyway, let's run.

I can't do anything but run.

It maybe because of her breast but Arina is heavy, Anyway, let's run—.

「Stretch your arm more! Aim properly!」

Though I hear Miriza's voice at back, I kept running earnestly.

I'm feeling chilly because I'm being 『Chased』

Impatience gather in my groin, cold sweat is coming out, my saliva stops secreting.

Dammit, I'd be able to run away better if Arina is a bit lighter—.

「...Tsk, they escaped. Geez...This is why men are useless—」

— I finally was able to run away.

I run to the back alley, for the time being let's run away from 『Here』

「Haa...Haa...Haa.....」

『If it's here』 I stopped my foot in thought.

But, there's no meaning if you run at random. I ran blindly at the beginning but I came running looking for a building in the second half.

Remember.

— The 『power』 that was given from 『Heaven』 to save Krafy Rosepoll.

— Then, the 『average size』 in this world

「.....One night. me and this person」

「C-certainly. Your room is number 502」

「Thank you」

Surely, Miriza is chasing us.

If I can 『Acquire』 the 『Countermeasure』 — I can win.

One black book. Heavy and thick black book.

For me, it's common sense to buy books from bookstores but it's a new experience for the book to fall from the sky, I was excited even if it was after I lost Krafy.

Isn't it otherworld-ish...?! I thought.

「Wha—」

There's only one sentence written.

Furthermore, the moment I read that one sentence, that sentence vanished away.

Had I become crazy after losing the beautiful girl in the otherworld?

While thinking that, the black book changed into black magic and sink into my body. Uun...It's a delicate feeling.

(...What's this?)

I thought while looking at my hand.

—『I give thee the 《Ability》to 《Copy》the magic of the female that copulates with thee』—

.....If it's a prank, it's too lewd.

While thinking that, my heart was healed by that 『Prank』

「N...Nu...Ah...Fua...Ah...」

「Uoo...Arina...」

Ignorance is fearful.

If I hadn't gone to the library to learn about the existence of the『Grimoire』, It says that I can『Copy the ability of the woman I have sex with』, I wouldn't have believed that wonderful ability I have. I could've just put it off as a 『Prank』

「A-Arina...You're...not awake...aren't you?」

「...Nn, Ah...」

「...Okay」

—In a small dim room. It's decently clean.

There are two single sized bed in line and a small dek.

This 『Hotel's』feature is...there's no feature, I guess.

(I can't endure anymore...I...want to see her tits sooner...) I lay down the unconscious Matachi Arina on the single bed.

Looking closely, she's got a cute face.

She's drooling...

Her firm abdomen is exposed from the erotic min sailor uniform, there's still a red mark left from after being struck by Miriza's whip.

—I stoke the wound while grinning...4

—Then, I finally grabbed the mini sailor blouse.

「Uoooooooo...!」

I gripped and moved it just a bit.

As expected of mini sailor blouse...the underwear's too soon.

Arina's breast that's wrapped in a pink bra appeared in a blink of an eye.

The size is unimaginable from the appearance and personality of Arina. Fuckin' huge tits.

「...! So soooft!...」

I poked my index finger on the big tits.

Puni...Thinking that it sink in...Punyuuu...It pushed back.

The softness is perfect. Best breast.

When it comes to this, I want to see the whole tits—

「You're okay with this? Arina?...」

「Hauu...Nu...? N...o...」

「No?」

「...Haa...♥」

Arina's cheek blushed. I haven't noticed it because I concentrated on the breast too much but this girl is feeling it from her breast even though she's unconscious.

Haahaa...Haahaa...

My breathing turned rough.

I can't endure it anymore.

I slipped my hand on Arina's back and removed the hook of her bra. Kukuku...don't underestimate the knowledge of the virgin. I know this from the net.

「Haa...Haa...Haa...」

「Naa—...Haa—N...A.....」

Turning over her mini sailor blouse, the bra is the only thing put on her breasts—The wind swordsman Matachi Arina.

I covered Arina.

Glossy black hair. Soft cheeks. Long eyelashes.

After enjoying the 『Cute part』of Arina from above, I reached out for the bra then slowly—slowly lifted it up.

「Ah.....Fua—...N...Noooo...♥」

Then, it finally showed up the 『Lewd part』

The shape is good and the plump breast has a nipple, a bright red nipple and areola.

...Goodness! It's a terribly lewd tip.

The bright red areola is large enough that makes me want to suck it soon, the erect nipples are also big. I just turn them over.

「Arina's breast is too big」

「Hauu...uu... Nuu...N...ah」

「...As expected if I rub my face on your boobs you'd wake up?」

「Ngu...u...♥Ha...U...Hauun...?」

I asked while touching her breast with both of my palms but she doesn't answer.

She's just seductively vomiting out hot air.

Then, she won't wake up right?

I just want to make a stopover...It's okay right?

Because, Since I met Arina earlier today, I've been gazing at her big tits all the time. Then, she has a 『Loan』from me carrying her away from Miriza...Just a bit...

——I grabbed Arina's breasts...Then buried my face on the valley.

「Fugu...! Uguuuu...! Arinaa...Arinaa...!」

「——!!♥Nn, Ah...Aah...N.....ooo.....♥」

「It's amazingly soft. Breasts...Boobs...! Arina's boobs...!」

「Hyaa...Hauun! Nuu...! Kuaau!♥」

While burying my face on her breast—I took a deep breath.

「Suuuu—...Haaaaaaa...!」

「N~~~~~...~! Nuuuu.....♥」

It's the best. It's squishy, soft, also, Arina's body odor smells really fragrant.

Matching the breathing pattern, Arina also reacted. Her legs are squirming...If I don't do it faster she'd wake up.

「But, Sorry...Just fot a bit...Suuuuuuu...! Suuuuu...!」

「Auuuuu...Nuuu...A...haa...」

「Arina...Arina-chan...Arina-chan's boobs...!」

「Hafuu...! N...Na...aaaaa...♥no...More...—A」

I want to puff puff Arina's breast for the rest of my life...

Puffing her breasts feels too good that I unconsciously moved my waist. The erect penis rubbing against the bed also feels good on its own.

Or rather, What was the phenomenon of being aroused by calling a girl's name adding 『Chan』on it? Immoral feeling...That's not it.

「...Nn...Nuu—...? Nauu...」

「Haa...Haa...I should be...」

Oo...It's been a while since I've breathed air other than her tits.

I removed my belt. Then, I took down my zipper just like that, then the slacks was half off.

「.....Ah...」

My penis is already throbbing under my pants.

I want to go out5.

I want to violate Arina.

I want to have sex.

It screams, I'm sure that it's already dripping with huge amounts of pre-cum.

「Ku.....Arinaaaaa...!」

I finally stripped off my underwear.

—Buruuuuuuuun...!

My raging penis shakes up and down.

Surpassing the average size in this world, it has an overwhelming size

and thickness.

Erect Length: 18.4cm, thickness: 5.8cm

This is the penis I'm confident of. Even more in this world.

「Haa...Arina-chan...I'll look under Arina-chan...」

My hand rolled over her miniskirt, then easily took off her pink colored panties I took off her panties until the below her knee and took a glance...

「.....! This is...Arina-chan's pussy6...!」

She has『Erotic breast』but I never thought that she has a『Cute Pussy』

The pussy of hers shuts itself completely, there's no pubic hair either. There's a slight gap in the entrance, it's secreting lewd love nectar.

If I take a picture of this 「Pussy of a small grade schooler」it would sell like hot pancakes. That's how young it is.

If it's like this then I'm sure that the『Inside』is...!

「——.....!」

The two fruits that are dangling on her upper body are so lewd.

Red bright areola and the nipples that are standing since earlier.

I grabbed the root of my own penis, I raised my hips for a bit—.

「Haa...Haa...I can't anymore...!」

「Fuua...Ah...Haa...Haaa.....」

「I will.....Arina-chan's pussy...!」

When I finished my Aim, I lowered my waist and my glans stick to the entrance of Arina's pussy.

I can see it as a strictly secured pussy but, the moment my glans stick

to it, the entrance opened a little and 『Greeted』me.

「Gu! Ku...Guuuu!」

「Hyaaa... Ah...! Haa...! Hyaaa...!?」

「Too narrow...!」

Not letting away that chance of kindness, I thrust inside my waist.

My glans forcefully sink inside Arina's loli pussy.

—Gyubu...Gyubububu...Gyubububu...!

Clenching teeth, grabbing the sheets, then clenching teeth again.

Arina has a『Painful expression』as I insert it forcefully.

「Aaaaa! Aaaa! It's tight but...Just a bit more and...all of me...!」

「Ah...Fuaa—.....Eh...Eh...Eh...!? Wait...what...No...Too...Big.....!? H—  
Hyaaaaaa♥ What...Are you doing!?」

Ah—, as expected she woke up.

Well, that's natural.

I rub the penis where the average size in this world is 5cm after all.

All of the girls in this world are 『Mature Pussy』are 『Loli Pussy』after all.

「Guh...! Sorry...! Arinaa!」

「Nguah♥ N—No way...This is such...Ooooo♥」

—Gubugyu...Gububu...!

—Bujibujibujibujibuji!

—Gubuchuuu! Gubun!

My penis is going through the small vagina along with the intense sound.

Reaching the cervix of Arina, I made a big sigh.

With this, All in.

For Arina my penis is of『Abnormal size』, her hymen is broken and the

swelling glans is pushing up her cervix.

「N, N, N, Oooooo!! What's this!? Your penis is too big...My pussy is breaking...! Naaaa! Ahyaaaaaaa♥, Really, what are you doing!」

「Haa...Haa...Haa...! Arina's pussy is too small...!」

「Noo ♥ It's your thing that's too biiig...♥ That's strange...This is...! Impossible aaaooo...♥」

Arina's loli pussy is tightening around my penis.

I just finished inserting, though I haven't moved yet, the pleasure can make me ejaculate already.

Especially the feeling of the glans hitting her uterus is irresistible. Squishy...and soft 『Woman's lips』...『Womb』—Yeah, it's the best.

「Rather than that...Why am I being raped by Hayato?...♥ Kuu... Nhaaaa♥」

—Without doubt, Arina's glaring at me but unfortunately I can only see it as cute.

Her jiggling tits are facing the ceiling, defying gravity.

My penis is too big that Arina's abdomen raised a bit.

Rolling up her worn out Mini Sailor Blouse, I can see nothing but 『Lewd Cosplay』

Arina grasps the sheets with her nails and shouts「Bakaa♥」

## Chapter 4: Unusual world's first sex and copy.

It's been a minute since I entered but I wasn't moving yet.

If I move on this 『Too Tight pleasure』, I'll definitely ejaculate.

I moved my shoulder and chest up to get oxygen as I was dripping in sweat.

My sweat—made a splash and fell on Arina's big breast's big bright red areola and nipples, then, Arina breathed seductively and bent her body.

「N, Haaa~...♥...Whyyy...!」

「You really don't remember...?」

「Geez...I don't get what you're saying...Nguuu♥」

「Kuu...!」

Gichigichi...The loli pussy tightens.

Even though it's the first time they stick together, it seems that it already loves my penis. Isn't it a cute Loli Pussy?

「Arina...」 You...lost to Miriza...」

「.....! I-I didn't lose...! I...can...still...fight♥」

「Breathe out... You're unconscious till just now...!」

「Auuu ♥ That's not it...!」

「Don't disregard me...!」

Just think what happens to you right now if I didn't run away carrying you?

You might've been raped by the gum doll men that's manipulated by Miriza you know? Having their sticky stretching arms grope your boobs...!

「Hii...Yaa...Noo...♥ My breasts...don't touch it without my permission...!」

「I've already touched it while Arina is sleeping though」

「——You...pervert...Idiot, stupiiid!」

The hand that's been grasping the sheets hits my chest lightly.

「Ahaaaaa...♥ Haa... Aguuu...M-My power is...♥」

It'd hit harder actually I guess.

With fist that has wind magic attribute, it might've beaten me out.

But...right now, Arina has no power.

Because.

「Fuhii...! Arin...naa!」

「——Ah, Ah, Aaah, Aaaaaaa!!?」

Because Arina has a 『Loli vagina』and my penis is a 『Very thick and large penis』

I'm sure the black haired swords man Arina's erogenous zone is her 『Cervix』 That's why arina can't resist, she's just drowning in pleasure—.

nyuju! nyuju! I slowly moved my waist.

「Thick...liiii...! Hayato's penis ♥ is too thiick! My pussy is going to break! Deep♥ Deep! It's forcing itseeeeeelfff!♥ Naaaaaaa♥」

——I can't imagine her gallant figure earlier this day, she's now panting like a bitch.

Rolling up her mini sailor blouse, her bra had fallen from the bed—.

Zunyu...Chu...Zunyuchu! Zunyuchuuuuuuu...!

Whenever I move my waist, I reach deeper inside Arina, her breast is shaking lewdly. The breast I've been puffing earlier is now getting filled with sweat.

「Does it feel good...!?」

「There's...no...way...I...would! Hauu♥ Hauuun♥」

「I see. It's because you're a virgin. I'm your first sex after all. You don't know pleasure...because...It's your first time! Guuuu!」

「Vir...gin...! Ahii...! You...stole.....My...virginity...♥ Aaa...Aaaaaaa... Nooooo♥」

ZunyuChu...Zunyuchu!

Tapu...Tapun...tapu...!

I can hear the sound of my thick big penis and her loli pussy joining in.

While Arina has already become completely passive, I confirmed the 『Connected part』with my own eyes and I can recognize that I'm『raping』

「Uguuu...! I won't leave it like this...Never! Nuaa♥ Haan!」

「If you say it in your state, I can't feel convinced. 」

「Nuoiooo...♥ Kuuuuu...You're just saying what you like...!」

Everytime I pierce her, the connecting part overflows with Arina's blood and love nectar.

Mini sailor uniform, black hair, and a big breasted swordsman value fuck scene.

Or rather...Since I'm a virgin I can't do normal sex. As expected of me who earnestly look up on AV and eromanga.

「You see I...didn't just intend to just have sex with you...!」

「Haa...Haa...? What are you saying so suddenly...♥」

I talked to her while moving my waist on a relatively comfortable pace.

...To be frank, Arina's pussy is too tight that I might ejaculate immediately once I increase the pace. I want to taste the pleasure a bit more, I will tell her precisely because she's being drunk in sex.

「——I've read it in the library... Magic replenishment...in addition for needing sleep and diet to replenish...It's also possible...when you're sleeping with an opposite sex...!」

「T-that's...Certainly...Nhyaaa♥ That's right but...Nn~♥」

「That's why...Me too...!」

Zunyuchu...Zunyuchu...Pita...

I stopped moving my waist and looked down the enchanted Arina—.

「I...! Want to be useful to Arina too...! You want to beat down Miriza by

all means right...! I'll replenish Arina's magic...and I'll also obtain magic」

「Ah...♥Haaa...♥ Haa...Hayato...! you...Ah♥」

Then, I bury my face once again on her ample bosom, I cling into Arina.

Zuchu...Zunyuchu...Zunyuchu...!

I resumed my hip's movement too.

Was it thanks to 『Kind words』? Arina's loli pussy got a bit loose.

As a matter of fact, I have sex as my first priority. Tehee.

「Can't do anything...I don't know...Even though you're stupid...! Don't get cocky♥—Nn, Nn Uu...! Ha...Your...♥ Big...penis...♥ Big penis idiot~♥」

Is she not angry about me rubbing my face on her boobs?...Nice.

Her voice also seems to be embarrassed.

「Then...Arina is a loli pussy swordsman...! This...This...!」

「—Niyaaaaa♥ Wai! Aooooo! Thick! Too thick♥」

「Isn't that right? After all this penis is more than twice the size than anyone else...!」

「T-twice!? That's why this...is too painful...Eh, Ah ♥ Oh, Ooooh♥」

Just moving a bit and I'm already rubbing against Arina's uterus.

Her vaginal meat has finished tightening.

「Naaaaaaaa♥♥ No...you musn't.....♥♥ It's too big...♥」

Arina clings to me reflexively, feeling the intensity.

As a result, my face got even glued to Arina's face. Too soft... The scent of sweat was stronger than earlier...

Looking at Arina's abdomen, it's swelling

「My penis is too big...Look here...It's showing up?」

「—Ah, haaaan~! Hyaa~ Noo...♥ It's touching...!」

「...You're a pervert, Arina」

「No...I'm nooooooot!! Your penis is just too big ♥」

「...Fuahahahaha...!」

I laughed.

The damn templates of this world is being made fool by me.,  
Otherworld the best.

An average looking man with an average personality. It's not like I'm popular, nor I have a girlfriend.

That me is right now having fucking sex with this big breasted loli pussy swordsman 「I...I've been looking all this time...on this breasts...!」

「Haa...aaahn! Your way of touching...is too lewd...♥」

「Wearing such an erotic clothe...! You're inviting me?」

「!! That's not it! This is Matachi's uniform ♥ ... Even I...I don't want to wear this...! It stands out on various places...!♥」

「Various places? For example?」

I gently brush Arina's big areola with my finger, then pinched her erect nipples.

「——That pla♥ Naaaaah♥」

At the same time, her loli pussy tightens up./

Oops, that's dangerous...I was about to cum...

「You have to say it clearly...look」

「Haa...♥ Ah...♥ R-remember this!」

「Okay okay—」

「Nnnn♥ I'm...tell...telling you...!」

It seems that Arina is weak at her nipples.

I continued to stir it, tease it while drinking down my saliva.

「Matachi's uniform is embarrassing...! Because, my...bre...breasts...my breasts are big...so they stand out It's being seen by a lot of people...Ah...

Hii...♥ Even my stomach...—Naaaaaah~♥」

Areola on the right breasts and I suck the nipples on fast.

「Haa...Haa...Jububu! Jububu!」

「Aon! Nn! Haaa♥ Hiii...don't...♥」

「Jururu...Hari...gubu...!」

「Don't bite...my nipples! ♥ That! That feels goood!♥」

「—puhaa!」

Arching her back, Arina trembled.

The tip of her big tits is sweat with my saliva.

While holding her firm stomach, her legs formed an M shape.

Looking at it more, Arina's body is filled with charm.

I licked every nook and cranny. But, here too—

「Then...I'll properly tell Arina this...! ...I have another objective...『My Power』...! I have to tell Arina about this...!」

「Hayato's power? Isn't there none!? ♥ You came from other world so you're just an ordinary person with...a big penis...! Nuuu♥」

「That's cruel... Actually I read a『Grimoire』after the 『First Girl I met』was kidnapped...!」

「N-No way...♥ Grimoire!?」

One black book that feel from the heaven, 『Grimoire』

Only a few exists in this world, 『When you look over, you'd obtain a power equal to god』

Arina forgets pleasure temporarily and her face looks surprised.

「Isn't grimoire's just a myth!? ...It's impossible...for them to exist」

「Yeah, I also haven't believed in it completely yet...!」

「——? What do you mean by that...Hyaa♥」

「I want to try it...should that be acceptable...?」

I massaged Arina's breast with one of my hand. I sandwiched the nipples between my fingers.

Then, at the end...I rubbed my nose on her crumpled mini sailor uniform, I moved my waist vigorously.

「Fuuuu! Fuuuu! Fuuu! What's written on the grimoire is...『You can copy the ability of women you have sex with』...! That's true!」

「Ahn~♥ Haaa ♥ You're too intense! No way ♥ My pussy is really tearing apart! It's changing shape to Hayato's big peniiiiis!♥ 」

—Zunyuchu! Zunyuchu! Zuchu! Zunyuchu!

—Pan! Pan! Pan! Pan!

I moved my waist violently.

My big penis rubs against her loli pussy violently.

At first my penis is being rejected but her vaginal meat is getting used to it already.

「Arina! Arina! All of you...! be mine! Mine!」

「Waaaaait!♥ If this continues, I really—Really, I♥ OOoooooooo♥ Noooooo」

「It's fine...! Me too...! Let's do it together!」

「Ahii♥ Nhaaaa~♥ Ahn! Ahn! Aaaahn! Cumming!♥ No...dang...it's really dangerous! I'm cumming from my pussssssyyyyy!!♥ Nhiiii」

Since we're both feeling the climax, there's no room to spare.

I bang my penis again and again and her pussy repeatedly contracts and expands.

Below me is Matachi Arina wearing the mini sailor uniform, her eyes are closed as she drool, she's gasping for air as she's worn out.

Just like that, I violently hit my waist and then— I bit my molars.

「Cumming! Ejaculating!」

「Naaaaaaaa♥ Noooooo! Noooooo~♥ The big penis♥ Is filling me in

with semen this deep! Nhyaaaa!♥ I'm going to get...preg...nant♥  
Eaaaaa♥ Oooooo♥♥」

It's fine, it's fine, you can somehow deal with it using magic.

As I laugh—I'm sure I'm 『Smiling cruelly』—I gripped Arina's waist with both hands and made the glans and uterus kiss.

Then.

—Byrurururu! Byubububububu! Byububububu!

Drunk on the pleasure, I ejaculated the hot pleasure from my penis.

Bending backwards. Trembling. The semen is being poured at Arina's deepest part.

「—Ah, Ah, Aaah, Ah, Ah, ♥♥ It's coming out♥ Semen♥ Inside my womb, semen is coming in♥ Nooo♥ This is such♥...!—Naaaa! Cumming♥ Cumming ♥♥ Haaaaaaan~♥」

Arina too was filled in pleasure as her womb is being filled with semen. The loli pussy tightened on a level I never felt so far, My penis is being gripped.

Tears spill from her black eyes, saliva is drooling from the edge of her mouth.

Even the breast that's wet from my saliva—is shaking violently.

Her expression...isn't like the 『Refusal』accompanied by her loli pussy but an expression of a『woman drowning in pleasure』

「Ah...♥ haaa~ ♥ I-I came」

「Haa...Haa...! That was a wonderful tightening at the end...~!」

「Haaan...Please...don't...say it♥」

Arina's abdomen has risen a bit.

Right now, 『Arina's womb』has a cloudy liquid overflowing. I guess it's a lot of semen swimming...

「Haaa...n...idiot...Hayato...♥」

「—...Arina...?」

As I was connected with Arina, she puffed her cheeks and looked away sulking.

However, both her plump legs are wrapping around my waist.

...Huh? She gripped the hem of my shirt.

(Erokwaii—...)

I just thought doing something

That's probably what Arina thought too—

「——Haa...Chu...Buchuu...jubu...Arina」

「——Nmua♥ habu...Ah...Chupu...N...gubuchu...buchuu...♥」

My first kiss is a French kiss, we sent saliva to each other, throwing out a sigh, it was a lewd sticky kiss.

I grabbed the breasts of Arina as if crushing them.

My penis and her pussy is still connected.

「Afuu...Chu♥ Chu...♥Chupa...Haan...Gububu...」

「Uwa...Chu...Chu」

「nbu...? Pero...chuu...chuu...Chuuuuu...♥」

Arina bashfully and curiously seek my lips.

The slimy feeling of her loli pussy is the best. Although I'm tired, that 『Just a bit loose』is exceptional. Other world's loli pussy is the best.

「Ahn...—You're really...A pervert♥...Njuru」

Finally, Arina looks at me and muttered as she licks my lips.

On the other side, I was bewildered as I was filled with 『Heat』inside my body, as my heart pounds hard, I stared at Arina's breast once again...

## Chapter 5: Rematch

—Before dawn. I and Matachi Arina are standing on the road.

There was a saying in my world.

『The darkest time is before dawn』

But what about the 『Otherworld』?

Katsu...Katsu...Katsu...

The sound of high heels hitting the asphalt tile.

The sound gets gradually bigger and finally her 『Figure』appeared.

「Ufufu. You love hide and seek don't you...You're quite childish. Arina」

In spite that it's before dawn, a bewitching gold was there.

『Azalea City's』top, the『City Owner』 dispatched by the demon king capital.

Mirza Silkwire who has magic that control men like a gum doll.

An extreme template golden haired bitch magician, her huge breasts are hidden with a black-pink colored bikini, her waist and groin is being hidden by a bloomer for some reason. The absolute area of plump thighs are exposed and the remainder is black socks.

「...I didn't just hide myself. 」

「Fuun? What? Have you done lewd things with that cute man there to replenish your magic? Kusu—Well, that's impossible. That arrogant Arina flirting with a man? Also, that boy is just cute but he seems to be unreliable」

「—...ugu」

What's with this blonde bitch... A-Annoying...!

Even you don't know but average small dicks you loli pussy...!

You'll definitely gasp for breath if I thrust my dick into you...Dammit...!

...Then, it seems that I'm not the only one who's irritated.

「E-endure it...Even I...!?」

I'm sure that Arina is staring at me. No, Arina-sama.

While she somehow fainted I selfishly thrust my penis in, afterwards, continuing forced sex, in the end I thrust the semen in her womb, so she's irritated on her『Gentle Act』

「——Making me remember that embarrassing part, I'll definitely work you out, It won't really end with just this. I'll definitely put you in prison」

「...Okay」

「Louder...!」

「Y-Yes...!」

Mirza has enough composure as she just looks at us while we whisper to each other.

It's like a mother looking at the children play. To that extent, it seems that the 『City Owner's』power is overwhelming.

「Hey, I'm serious right now?」

Looking down, the blonde hair hid Mirza's eye.

Her mouth is loose as expected.

「—...?」

「I've played with you many times up until now but I'm serious right now. I told you earlier, the demon queen ordered us to 『Be unforgiving on those who resists』」

「...Fun. ...Considering that you're lacking in hands」

「Kusu. Lacking? Just seeing the part of truth doesn't mean that all of it is the truth, don't you think?」

「What do you mean...?」

「I know right now... During the time you're playing hide and seek carefreely, the unknown 『truth』further increased like this...Aha♡」

The air went 'gaguoooo' several meters around Mirza Silkwire's body, then it vibrates, then, a golden magic appeared.

For a moment, I thought it's beautiful.

Meanwhile, the golden magic spread to my and Arina's side.

「...Gu...!? What's this...! I-Isn't it dangerous...!? Arina...!」

Protecting the ordinary me with both arms, I asked—.

「Haa? That's pathetic. Ugu...This fellow...It's my first time.....」

「That's not the time to talk about that!」

「Really!? You! You don't know how important the 『First time』for a girl!? It's completely different from the smelly virgin that just wants to throw it away!」

‘Smelly virgin’, the hell? That's cruel...

Shut it! My large dick is really long....I can't say that.

「...Very Well, I'll punish you a lot later」

「...Please spare me from pain」

「...I wonder. Anyway, Hayato draw it out...」

「——Yeah...!」

Just like what we arranged beforehand, the two of us matched our timings.

Even Arina's breasts is wrapped in her mini sailor uniform, 'puru puru puru puru'.....As it shakes, the 『Golden Magic's』threat amplified.

Ooo...I saw her mini skirt rolling up...p-pantyslot...!

I gulped down my saliva and reached the side of my waist.

「Now, get them! My slaves!」

At the same time, Mirza began to move too.

Along with her declaration, she pointed her fingers on the dawn sky, her armpits are on display.

What a beautiful armpit. There's no unwanted hair. Furthermore, it's very bulky.

—Arina found out my trivial thoughts and she struck my head. I'm happy to be beaten by a girl...

...Oh, I've been nonchalant.

「Mirza-samaaaa...!」

「Uooooooooon...Mir...zaa...samaa...!」

「Fuhi, fuhi, fuhii...!」

「Ooo...Fight...fight...!」

「Mirza-sama! Arm...stretch my arm...! Pain...more...more!」

「Aoooo...! Oooo! Haa...Haa...!」

All of the zombies are walking wobbly and they're pale.

Are they low-class citizens? The tattered clothes they're wearing emphasizes the zombie feeling.

Pan—Mirza clapped her hand and all of them raised their heads.

Foreheads filled with pimples, open nose hole, drool dripping from their mouth.

They're firing off dirty golden shine, these zombies—No, gum doll men.

「That's fearful. But it's not a magic that manipulates 『Spirit』」

「...Then that means that they're loyal at Mirza consciously...?」

「Yes. Turning them to gum doll, then doing absurd things on their body—Mirza doing absurd things, then...T—they...feel good」

Certainly, Mirza's magic is to 『Turning men into gum dolls and manipulating them』 It's like a different world cheat but it doesn't 『Manipulate spirit』

In short those that approach us are several bodies...eight gum doll men.

(Are these perverts that can't be understood by normal humans like me?) Then on behalf of the normal people, I have to expel them., Perverts are harmful...there's no need for perverts in this world...!

「Here we go!」

「Yeah!」

I finally grasped the 『Sword's handle』on the 『Sheath』on the side of my waist.

It's okay. I already practiced this once.

—It's a 『Arina's Spare Sword』I borrowed from Arina.

—Stealing the secret, the 『Power』budding in my body bore fruit.

My magic is also enriched by having sex with Arina.

「Gishaaaaaaa! Mirza-samaaaaaaaa!」

「Ooooooooo!! Please tease us more!」

These trash jumping...gum doll men—.

Hidden in the shadows of the eight gum doll men is Mirza who has room to smile.

I guess she's convinced that it's her 『Win』

As expected Arina can't beat 『Eight』of them.

「It's the end, Matachi Arina. I'm glad that I'm going to crush your

before you get stronger in the future. Ufufufu...Ahahaahaa...! Go! Crush them!」

She's laughing loudly like in template. Crossing her arms, showing her beautiful mouth, she's still laughing. I and Arina was deprived the 『Right to look up the sky』

It's a disgusting crowd. It's raining eight gum doll men.

They kept blurting out 'Mirza-sama, Mirza-sama', stretched their arms in spite it's a point blank battle, these guys are idiots.

No, Mirza Silkwire is the one controlling the bodies of this men, I see... Mirza is much idiotic than I expected.

Or maybe thanks to the gift 『Magic Strengthening』from the demon queen, the gum men have 『Invulnerability』grants her the pride.

「.....Matachi Sword Style——」

——Arina who pulled the sword from the sheath.

——The eight gum doll men is pouring down.

The insides of my body gets hot, hotter, and hotter, and even hotter.<sup>1</sup>

Concentrating on the heat, I reached the point that I can control the heat, then, it poured into my right hand.

I pour it into the sword.

It's easy now.

On the smiling 『Expression』of Mirza looking like she has the room to not lose, Arina made an eye-contact and matched out timings.

「「——Air Slash!!」」

We only shouted the『Name of the skill』

Arina's wind wearing sword hit the five of the gum doll men.

My wind wearing sword hit the remaining three gum doll men.

Zushaaaaaaaaaaaaaaaaa——!

『Double Wind』strike them, rebounds, and acted violently.

The gum doll men who wasn't able to understand the situation was blown off.

「Wha...! What...!?!」

Mirza took a step back in astonishment.

——The eight gum doll men 『Returned』to Mirza's surroundings.

There's blood coming out of the gum doll men, their bodies are worn out everywhere and their legs and arms are almost cut off.

「Ha-haa...? Just what happened...! ——Kuu...! Y-You guys...! How long are you going to sleep...! Hurry up and wake up...! Those guys...!」

Kuahahaha...Where did your composure from a while ago gone?

Mirza points on the gum dolls scattered around her and desperately orders them.

But, they just twitch their body but not move further than that.

——Sweat flowed on Mirza's cheeks.

「immortal...! You're immortal so hurry up and—!」

「——Matachi sword skill 『Mana Flow Cut』...」

「Why being formal now...? My dolls...My slaves are immortal...! Even earlier when they receive your attack and they got up easily...!」

...That's bad, Mirza.

Do you have the same level of knowledge as『Me who came from the other world』?

Arina gently explained to Mirza.

「Earlier——when I fought the two vomit men...」

That's right. The conversation we had 『A while ago』means the 『Time when Mirza suddenly attacked』and 『Before Arina and I have love-love sex』

「Certainly, the vomit men got up immediately after they were hit by a『Matachi Sword Skill』」

「Isn't it natural? These guys...have gum body...They're immortal...」

That has to be emphasized.

——Even though I practiced it once, the feeling of firing the real 『Copy magic』is uplifting. I can even pass the interview of a first class enterprise right now.

「.....It's not limited to Matachi sword style, the range attack makes the effect fade against the enemy, the oopposite effect would happen if they're hit in close range」

「.....!! Uguuu...!」

「Fun—.....? This is...This is common sense that's taught in the idiots at magic academy at first...? Mirza-saaan?」

Arina put her hands on the waist that doesn't have the sword and puffed her chest with pride.

It's the cleavage that I puffed my face earlier but right now I'm excited by looking down on the sweating Mirza. I want to lick it. Then be scolded afterwards.

「Your vomit slaves's mana flow was just cut in a minute. No matter how immortal they are, as long as they have mana flow they can't regenerate」

How many times was this? Arina snorts and ridicules Mirza.

「Guuu...Gii...Guuu...! W-wake up! You...You!」

Mirza kicks and pounds the rubber doll men.

However, their leg strength is weak that when the doll men moved they turn over and stop. Arina's equally huge breast is shaking.

「――It's your loss.」

「Haa...haa...!」

「You lose everything. Isn't that right? You don't even know what happened」

「What do you mean...!」

「Fuu... To that question...I can only say that you lost.

That's right――.

Mirza doesn't understand why the eight gum doll men were blown away.

She didn't notice the fact that 『I copied Matachi Arina's power』

「...Are all of the city owners are this idiotic?」

Arina mimics Mirza's tone.

「――Gugigi」

「Then I'll show it to you. Hayato」

「Yeah」

I held my sword and poured mana.

First, I poured the mana of the 『Wind Attribute』I copied then 『Matachi's sword skill』...How should I say it? 『Gene』 or 『Mood』, anyway I carried the 『Matachi Sword Skill's』to the sword.

In a blink of an eye, the wind sword was completed.

Then, Arina who's on my side did the same thing.

「Wha...! Why can you...Matachi sword...!@」

「――You don't need to know」

「.....Yeah」

「—We're going to settle this in a flash. You hear? Match our breathing」

「Leave it to me」

Holding the『Same sword』, were two complete different existence.

Lowering our sword posture a bit, we kicked the sword simultaneously.

Light body. I feel that my reflexes are becoming better.

—『I give thee the magic to 《Copy》the 《Ability》of the woman you copulate』

I copied from the woman, Arina, her own attribute magic and magic, that's not it, it's 《Arina's ability》

I haven't 『Completely Copied』it but, 『Feeling a bit bad for Arina』I leave it like that. 2 It's enough in this situation.

「Move! My dolls! Hurry up and move!—Protect me!」

「Run away by yourself!」

「Uooooooooooooo!」

The world accelerates and the scenery fades away.

Is this Arina's leg strength? It's tremendous. If she entered an athletic club, she'll definitely go to nationals.

—The limbs and cry of Mirza kept approaching.

Then, with our match breathing, at the same time Mirza's 『Wind Sword's blade』made a cut, and in the end, we passed behind her—.

「Gahaaaaaa!? Aguu...Gahaaaa!...!」

Blood comes out of her body and she groaned—

The golden magical power covering Mirza's body several seconds ago fades away—.

Mirza collapsed on her knees, then fell down with her face and big tits on the ground—.

「Fuuu. ...Now then」

Arina straightened her pose and approached Mirza.

Wait a moment. I'm hella tired.

「Haa...Haa...Haa...Arina...You're amazing...」

「Hayato just doesn't have much stamina. You can't copy that much?」

「Like hell I know...」

「Fu, fun...Is that so?」

Then, Arina reached Mirza and turned her sword that's beautifully filled with the remaining wind mana.

「——Matachi sword skill『Seal』」

Mana overflows from the sword Arina holds and it flowed into Mirza's body.

It seems that it's a long term seal that stops the flow of magic.

「S-stop...this...!」

「I won't stop. You've already troubled Azalea city so much」

「D...dammit...! Even though you're just a virgin...!」

「! I'm not a virgin anymore!」

「——Hyaaaa!?!」

...The seal was done just like that.

...‘I'm not a virgin anymore’! She spoke it thoughtlessly.

「With this, you can't do anything for the time being」

「Then, what would you do?」

「—Well, You should just tie her up in the underground」

As I just came in Azalea City or rather I just came in this world so I haven't experienced firsthand the evil deeds of Mirza silkwire so there's not much sympathy coming out from me ...

「Are those guys okay? They're not dead?」

「Aren't they immortal? They'll just sleep for several hours and when they get up, they'd return to their normal state where they're not under control from Mirza.

「I see. That's good..... Then, what's this?」

I tumble over Mirza's side and I picked up a 『Black Key』

「...That's」

「—?」

Arina's hand twines in mine and she took the black key.

「...I've seen this from a book. 」

「Book? Is it famous?」

「...『Key leading to the demon king capital』 Each of the『city owner』 possess it」

「.....!」

In short, for the pure-white big breasts...I mean, it's an essential thing to help Krafy...?

「Arina...That—」

I thought of shamelessly asking 「Could you give it to me?」

「——Hey, Hayato wants to go to the demon king capital right? To help out someone?」

「Eh? Yeah, yes. 」 I must go by all means」

「It's because she's an important person」3

「...Y-Yeah.」

I nodded.

After Arina showing a face worrying about something, she sighed.

「—I'm going too」

Then, she muttered in a small voice.

Yes? I instinctively let out my voice.

T-This is...the mysterious otherworld harem cheat I finally showing up?

「...I also have someone I have to help. ...Someone I want to meet」

「—」

What. I'm surprised.

「...I haven't told anyone yet. I'm the same as Hayato, I have a『someone kidnapped』from me too. That's why—...I'm going too」

『Kidnapped people』4 The same as...Krafy?

But I didn't ask more than that, I tried to become gentle like Arina on the way back from the library., Restraining my interest and curiosity—I cut it off with 「Then」

「Then, want to go together? ...I'm also alone」

Arina opened her mouth.

Then, she clenched the black key firmly—/

「—...O-Of course. Fun. If you're with me, you'd have a really wonderful peace of mind. 」

Like in templates, her cheeks dyed red.

—The person Arina wants to help. I somehow hypothesize that it's not a man, yup.

「W-what are you flirting for...and leaving me alone?...」

「Flirt...!? S-shut up! This Wicked boob bitch!」

「I! Ouuuch!? Why does Arina has my whip!?」

「I have it because you lost! You can't use it anyway!」

「Ouch! Wait...! Wa...! Naaaa!?!」

Finally, the sun rises.

In the back alley of Azalea City has the 『Former city owner's painful voice as she's being whipped』echoes—.

...After this, Arina goes to a certain underground in Azalea City to seal Mirza Silkwire's magic on a fixed interval.

## Chapter 6: Dead Drunk Ecchi.

We had a feast from daytime after we finished the battle with Mirza Silkwire.

It's not on a scale of a feast but the two of us were eating extravagant food on a private room in a pub, we're also drinking alcoholic drinks.

There's no age-limit on drinking in this world.

I drank down the beer that looks like sake then 「Puhaa~」breathed out.

「.....Fuuu」

「Auuuu! Onee-chaaaaaaan!」

「.....Haa」

「Why are you staying sileeeent!? You're not taaaaalking too meeee at aaaall!」

Muni Muni, guni guni.

The plump flesh of Arina next to me bumps into me a lot of times.

No, it's wonderful for a drunk beautiful girl to do body communication but it's troublesome more than anything...

For the time being, I peeped on the gap of her mini sailor uniform and take a glance on her cleavage.

「You shee...! When I wash smol...Hiku...!」

「That's not different from a while ago... Was it not three years ago?」

「Three yearsh agoo! I wash shtill a kid! Hiku!」

Arina...How old are you?...

「Baka bakaa!」She says while beating me. It's simply painful.

Her usual would be cool if I'd say but Arina right now has a drunken red face, I already pressed the shutter a lot of times inside my mind.

「Onee-chan was...! My beloved Onee-chan...! Hiku...Hikuuu...! The

demon queen...! Hiku—...Ueeeeeeaaaaa!!」

「Don't cry, don't cry...」

「I'm not crying! Look! There's no tears coming out—!」

Pulling my shirt while saying that, her big breasts pressed against me.  
...The tears are flowing. ...Also, her breath stinks alcohol.

——Oh well, this is the fifth time I heard about 『Matachi Arina's onee-chan』so I'll just leave it as is.

In exchange, let's summarize the information in my brain.

After the fight with Mirza, Arina decided to go to the demon king capital with me. The reason was, she said that she's the same with me  
「Because they took someone important to me」

I learned 『Kindness』from Arina, so I didn't ask who's the 『Important person』but...As you can see, Arina revealed it.

——Her name's 『Matachi Erina』

Arina's real sister and even much stronger and beautiful than Arina.

Three years ago, Arina and Erina went to play on the grassland on 『Azalea City』 The sisters are really in good terms, they enjoy their leisure time holding hands while window shopping, they seem to be interested in making tea.

...However the fun time was stricken out suddenly.

Azalea City's grassland doesn't have some so-called 『Monsters』 inhabiting there so it's a safe place. Nevertheless, it appeared in front of the sisters.

「What did you say?」

「Usamimi! Usamimi goblin!」1

「.....」

The big breasted drunk girl on mini sailor uniform says ... 『Usamimi goblin』

The moment you take a look at it, it holds a wicked mana that can be seen on those near the demon queen, it's a strange, eccentric, unforeseen monster.

There's no way the sisters who inherited the Matachi Sword Style to lose against such an odd monster. Everyone thought so. Even I thought so.

『――What's this?――. Look at it onee-chan, it's a strange fellow』

『!! You mustn't, Arina! Don't approach carelessly!』

『Eh...!? Kya, Kyaaaa!?!』

Carelessness and conceit.

Arina was misled by the bizzare existence of 『Usamimi Goblin』that is a being『that's near the demon queen』

Given that opening. The usamimi goblin reached out to Arina—but.

『Arina...don't hold out your hand!!』

Erina grabbed Arina's hand faster than the usamimi goblin.

She pulled it strongly.

『Onee-chan!?!』

The recoil made Erina stagger towards the direction of the usamimi goblin.

Then the wicked hand caught the plump body, licked, after it was licked, the usamimi goblin disappeared.

It would've been done if the usamimi goblin was cut by the sword...she thought at first but, her beloved little sister's body might be hurt so she didn't hesitate.

「Oneeee-chaaaaaaaan! I'm swoooooowwwwwyyy!!」

「.....It finally ended? That's the tenth time you know...」

This and that happened so now I know Arina's purpose.

The power of alcohol is scary.

「Hiku...hiku...Hayatoo...」

「W-what could it be?」

「UUu...gubi.....nnuuuu.....」

Arina drank another mug again, then leaned on me again.

Making a noise then getting silent...the hell?...

「Goku...」

—Her plump body leans on me.

—Glossy black hair. Her breasts are on display. Cleavage. Plump thighs.

...If she's drunk right now...could I not be exposed?

「...!...Haan~...♥」

「O, Oo...」

I poked her breasts using my forefinger on top of her mini sailor uniform.

I've already experienced the softness already but I still feel surprised. The finger sank several centimeters and when I loosen, it was pushed back with a terrific force.

「N~...Uu...Au...Ahn~...!」

「A-Arina...」

「Hyaa...Nfu...nuu...nuu...♥」

「Arina-chan...want to drink more?」

「—Fue...? Alcohol...? Yup...Drink...♥」

I took the lemon colored liquor that's on the corner of the table and take it to Arina's lips.

If I'm not mistaken, this has a very strong alcohol content?

*Guni Guni* as I grope Arina's breasts, I tilt the mug—.

「—nGubi...gubi...gubi...♥ Abu...puhaa...!」

「.....That's erotic...Hey, hey, Arina, it's dripping?」

「Haae? dripping? w-h-a-t-i-s?—Hauun♥」

「In your mouth, you big tits swordsman...」

「Aun! Nfu...Hafu...Nn!」

Saying that, My hands massage her breasts without relation to it.

—A yellow alcohol drips from Arina's mouth.

The sloppiness is irresistible.

Before long, the alcohol reached her chin and dropped to her chest.

「Should I wipe it?」

「Au~!...♥ Au, Naa...Ahn~...!」

「I see, I see. Then, I'll wipe it」

「Eha~? Noo~ Hayato your face is too close~.....Nuu~♥」

「—Lick...!」

I extend my tongue and licked Arina's cheeks.

Then my saliva stuck into Arina's cheeks instead of the yellow alcohol.

Doing this on the sober Arina should've been a capital punishment but...

「Drink more, Arina-chan」

「Eh...Yeah, Drink—...♥ I want to but I can't drink by myself...?」

「You want me to assist again? Okay okay—Here」

「Aungu...♥ Hafu—gubi...gubi...N...gu...bu...♥」

I made Arina drink the alcohol while I rub her breasts.

Because I myself am in somewhat strange atmosphere, I'm somewhat

drunk.

「Gokyuu...! Ngu...gubi...pu...wai...O...♥——gubi...gubi!」

Arina's mini sailor uniform gets wetter the more she drinks.

The last one had almost all of it leak from her mouth? Thinking that, the alcohol was overflowing from Arina's mouth.

「Haa...Haa...」

「—nfuu.....Fuu...uu...gepu...♥」

「Arina...I can't endure it anymore」

「...I-Idiooot...♥ you made me drink too muuuuch...」♥

Hey hey, are you okay, me? This is a pub's private room, not a love hotel.

Isn't it enough for you to know that Matachi Arina is『Weak to Alcohol』?  
Isn't it bad to get drunk this time at the hotel?

If we're found out it would be dangerous...? It's daytime and all...!

「Gu...!」

——My composure is shaken. I can't stop myself anymore.

Her mini sailor uniform is drenched in alcohol. Big tits. Plump thighs.

Arina's red face, I threw her town the floor—

My erect penis under the slacks is throbbing. I entered Arina's 『Loli Pussy』once, in this world my penis is a『Huge out of the standards』...!

「Arina...! Can I insert it again...?」

「Nauu...♥ Sex...sex♥, Hayato's big penis...Arina...wants to feel it here again...♥」

「.....Haa...haa...!」

The private room of the pub isn't wide.

The man and the woman are going to have sex.

Our breathing mix together, filling the entire private room—.

「Haaan~...♥ Loook...? Arina's...pussy...! ehehehe♥」2

Lifting her own waist, sliding the panties with her fingers, she displayed her pussy that has no pubic hair.

...Her pussy shuts close.

But, Arina used her forefinger and middle finger then...it opened.

Small vaginal opening. Love nectar is overflowing.

Overall it's narrow, I can almost see the 『Depths』instantly.

It already accepted my 『Huge penis』once already but Arina's pussy is a 『Loli Pussy』

「You're lonely when onee-chan disappeared?」

「I was lonelyy...I was soo lonelyyyy Ah♥——Hiiiiii!」

「I see, I see. But I'm here...so...!」

「Eh Aaaaaaaa...! Ngu...♥ooo...oooo...♥...Haaan~!」

My penis inserted on the place Arina opened.

—Gyumu...gyumuu...michimichi...!

『Women in this world』thinks that the erect penis is 『Normally』  
5~6cm——I thrust inside Arina's 『Loli Pussy』Again 「Haa...Haao...  
Oooooo...♥ Coming... It's enteriiiiiiing...♥」

「Aaa...crap...! Too tight...! But...! Better than before...!」

「Higiiii...~♥ Waaaiit♥ Hayatoooo♥ You're being too forceful~♥ be...a  
bit gentle...just like before...N~~~♥」

「Uguuuu! No...I'll do it in a flash...!」

「——Ah, Hyaaaaaa♥」

My big glans that didn't enter easily on the first time suddenly did, a fat

and long pole also run through Arina's vagina.

Before long, the glans made a deep kiss with the uterus.

In that state, I focused on the『Remaining』power to forcibly enter.

「Uoooooooo...! N-Narrow...!」

「Haguuun~♥ Aooo...♥ To thiiiick...! Hayatoo's peniis...♥ It'sh too biiiig...♥ Even though it's my second time already...♥ My pussy is being forcibly opened....Huaaaaan~♥」

My penis is overall 『18.4 inch in erect length and thickness of 5.8cm』

When all was inserted in Arina's belly, her womb is being pushed and her belly has a 『Budge』appearing. Caressing that—.

「You can't~♥ My womb...Is rising up...Don't touch...!」

「It feels good? I'm caressing it like this」

「N, N, ...!—...Nn... I-It feels good...♥」

Hiding her mouth using both hands, she stared sweetly at me.

Her whole red face is sweaty. A drunk big tits swordsman.

Rubbing the spilled alcohol that made her mini sailor uniform wet, her vaginal meat made a repeated movement of tightening then weakening——Strengthen——weaken——Strengthen——.

「I haven't massaged your breasts that much in foreplay but you're quite wet already?」

「Naaa~! ♥ Fuah~...Hauu...♥ Becaush...!」

「Is it the alcohol's fault?」

「H-Hayato made me drink a lot...! Nn...Naa~♥」

「Hahaha... Even though Arina is the one who wanted to drink...! Then, hey, drink a bit more」

I took the glass on top of the table and dumped it on Arina's lips.

「I-Idiiooot♥— Abuu, Chuu, peroo...N, gokyu, gokyu♥」

「Just how thirsty are you...Hey...hey...!」

Zunyuchu—Zunyuchu—.

I pierce her in a 『Gentle pace

Arina's big breasts sway left and right, showing different movements.

「Guu...Guaa...Arina...Arina...!

「Nhauu...Hayato...Hayatoo...♥ Ah...Uu...♥」

「You want to say something...?

「——Nhauu...! Y-You see...y-you can...be a bit more♥ violent...♥...」

「Got it.....!」

「Ahn...! Ahn! Ahn~♥」

Zunyuchu! Zunyuchu! Zunyuchu! Zuchu! Zuchu!

I pierced her violently just as she requested. I expect her to make an ahgao face but whether it's because of my experience or because of the alcohol, Arina is gasping cutely.

In the private room inside a pub, sweat falls to the floor.

Inserting to the loli pussy, I must endure the tremendous pleasure and my stamina is consumed pretty much.

「Haa...Haa...! Guu...Hey, Arina...!」

「Hauun! Nn! Haau! W-what...?——Ahn~♥」

「Let's kiss...!」

「K-Kish...!? Wait a moment! Hayatooo~♥」

I grabbed both of Arina's wrists and hold them down the floor.

Zuchu! Zuchu! Zuchu!

Purun! Purun! Purun!

Her huge boobs shake every time I pierce her. She becomes in place just by looking at her.

As her big breasts shake lewdly, I pressed my chest onto it and the only defense of Arina's lips went away—.

「Fuu...Fuu...!」

「Haa...♥ Haa...♥ N——♥」

The smell of alcohol, the smell of Arina's saliva.

I covered her cute pink colored lips.

「nfuu...! Nu, nuu...♥Puhaa...Chuu...nfuuu...!」

「Arina...! Arina...Arina-chan...!」

「—Abu...! Stop...calling...me...with...chan...occasionally...♥—— Habu...nfu...nn...nbuchun♥」

「Well...whenever I call you Arina-chan...my dick is...guu!」

「Aaauuuu!? Don't spread my pussy any further than this♥」

My penis is thick long and even more pleasant. Arina's loli pussy spreads temporarily. The vaginal meat is surprised by the 『Non-standard Huge dick』they secret love nectar in panic to withstand it.

「I'm going to release it inside your womb again, you're okay with that...?」

「NoooooO~! Semen is going too deep again...♥ Pregnant! I'm going to be pregnant——Nhiii♥ Ah, Deep♥ too deep♥」

「Your words and your body's reaction having different answers is amusing!」

「Noooo♥ You tease! You're bullying me~♥ Hayato's a bully♥」

「Damn...!」

W-what's with this Matachi-Arina...?

Speaking cold words at me, showing the cool Matachi Swors Style towards Mirza——Where's that Matachi Arina?

A string of saliva connects my and Arina's lips.

Then, Arina clings to me before I was aware, putting her hands on my back and in addition, my waist is locked between her legs.

「Nfu♥ Chuu♥ Chuu♥ hafuu♥...N, N, fuu, nfuu♥」

「Good...Arina...Arina...! Buchuu!」

「——Buo, obu...chubuuu...♥ I-It can't be helped...♥」

We're not lacking in mana.

We're not treating our wounds either.

I'm not even copying Arina's ability.

——It's just copulation Just sex.

——The drunk I and Arina drunk in alcohol is having bareback sex.

Otherworld is amazing. Breaking a smile from the kiss, I pushed to the depths in the end and ejaculated.

「Arinaaaaaaa! I'm cumming!」

「Cumming...cummingcumming!! N...Haaaaaa♥ Amazing♥ The semen is spurting again ♥ In the deepest of me~♥ In my stomach♥ It's a child seed...! Amazing, Amazing! a lot is coming out~♥ Ah...~♥ No more...no moooore——.....Cumming again...nnaaaaah...!」

—Byururururururu! Byuru! Byurururu! Byurururururu!

—Bikubikubikubikubikun! Bikun! Bikun! Bikun~!

Arina's stomach raised a bit. Her womb trembles.

I released a lot of semen that it filled the womb instantly, her womb, her womb is trembling, the feeling of pleasure extends to Arina's whole body.

「Haa...haa...haa...haa...damn...I let out a lot...」

「Haan~...Yaa...geez...you ejaculate too much...♥」

We whispered to each other as we embrace.

Soaking in the after effect of climax, we pressed our waists to each other, I pulled out the penis from the unsteady body—.

「Haaan~...N...nuuu...Hahii...♥」

This is a bit hard.

Pulling out my penis from the tight vagina after ejaculating is difficult.

「It's the usual Loli Pussy, Arina」

「...Even Hayato.....amazhing...what an...amazing dick you have...♥」

——We praised the other's genital...then stared at each other.

As expected women love big penises. She feels too much.

In this world, my penis can make any women fall for me. It's obvious that they'd be『Taken』 The 『Win』is decided.

「Arina」

「Hayatoo...」

Then, as the cloudy liquid drip from the opening of her vagina, I approached Arina's lips then kissed her.

「Nfu...n♥n♥」

It's been a while since we're quiet.

If you listened carefully, lively voice can be heard from the surroundings.

Having sex in the private room of the pub...

Furthermore, a swordsman with big tits...

Matachi Arina...

「—Best regards from now on」

「...Un...♥ Best regards...—Hanyaa...」

Was she tired from being raped by a huge dick?

Arina fell down the floor and slept.

I poked Arina's squishy cheeks, rubbed her breasts after wards, then borrowed a blanket from the shop to cover her.

—Hmmm...The smell of sex drifts in the private room...I hope they don't find out...

I thought of that as I pick up the leftover fried dish and chicken left on the table.

## Chapter 7: Mirza in chains

「I'm sorry」

「—」

「I'm really sorry」

「—」

「Please forgive me Arina-sama」

Dream, it was often said that it's a man's dream, it was certainly right.

『Drunk sex with Arina in the private room of the pub at daytime』

Arina was exhausted from my big dick and fell asleep, I was dozing off while looking at Arina's cute face and in the end I fell asleep.

Then, when I woke up it's already night. The pub is also on business.

Despite us staying longer than usual, we owe the shopkeeper for being gently considerate, the shopkeeper peeked but 『Finding out that we had sex during daytime』never happened.

『...Good morning. ...No, it's already good evening...I guess?』

『Hi...ko, good evening...』

Arina who woke up fifteen minutes earlier spoke coldly...

『Arina found out that I sleep rape her after she drank the alcohol』

Arina doesn't remember. ...If it did, it's even more fearful.

I'm told that when she woke up she noticed that there's a lot of semen collected inside her womb. Having a severe headache and her womb twinging...Arina seems to have hypothesized that I raped her. It's fucking scary.

「...Should I prostrate?」

「—」

「...What should I do for you to forgive me」

I'm not good in keigo<sup>1</sup>

「—...You're going to do anything?」

「.....」

「I'm asking whether you're going to do anything?」

Usually I'd say 「I'll do anything! Please!」, it's a dialogue that holds women's weakness...

—The center of Azalea City's downtown at night.

—The black haired semi long two side up hair wearing a mini sailor uniform big breasted swordsman, Matachi Arina.

She's an important sex frien<sup>2</sup>...companion when I go to the demon king capital in the future, I can't fight her and break up in this town at the beginning.

「...I'll do anything」

「—Fuun?」

Nitaaaa...<sup>3</sup>

「.....」

D-demon...! What's with that evil smile I've never seen before...!

Arina's figure shine through the lamps of the shops.

Folding her arms on her plump breasts, thrusting out her womanly waist, she shoot out a 「Fuun??」a second time—

「I forbid you from taking it back, you have to keep your promise. That is Matachi」

「Yes」

「Hayato has the power of 『Matachi』even as a joke so...of course...this law applies to you too 」

「...Yes」

「『I'll do anything you say』. Fufufu...I'll make you compensate for it, you defiled my body twice...! fuu...fufufu...! Ahaha」4

The people on the shopping district are gazing at Arina saying 「What's that, isn't that strange...?」 There's some people who said 「That's dangerous...That's Matachi's daughter」

Gulp—.

Just how fearful would her order be?

...Or rather, isn't Arina still drunk?

「Fufu」

「...Arina-san?」

Arina approached me.

She stops when her plump breast hits my chest, then whispered in my ear.

「.....Prostrate and shout in a loud voice.」

「It's impossible」

I answered on the speed of light.

「Then I won't forgive you」

「...ugu」

「Are you sure? I can just shout right now that I was raped by a man twice...」

She's smirking.

This woman is sly.

Even though she's gasping so hard from my big dick. Dammit, I should've recorded it with my smartphone. And yet her Areola is big. Dammit.

「...Gugu」

「—fufu」

「...G-got it...」

「Good」

I say this often but my grades are bad but I'm not a 『Fool』

——I have already calculated the 『Future』in my head, I'll do as Arina says, even if I think that this is shameful right now, the resulting future would be bright.

It's impossible for me alone to defeat the demon queen.

I definitely need her...

I need this tits as a stress reliever...

Dammit...Why does Krafy's gentle smile surfaced in my mind...Ah...

「I...」

I fold my knees and sat down—.

I sit straight directly on the ground.

「Louder」

「I...!!」

Then, I put both my hands on the ground and lowered my head.

Sticking my head on the cold ground.

——Prostrate.

I'm sure Arina whose folding her arms looking down on me feels better.

Be as it may.

I'm going out of this town anyway soon.

I cried out my words just as she instructed.,

「I...! I-I am Arina-sama's slave! I'm a slave that will do as she will from now on! Also, I'm really sorry! I'm sorry to make you feel bad with my large penis! Please forgive me Arina-sama!!」5

---.

--.

—.

....

Time moved slowly...

The time in the town stopped, all of the people put their glance at me.  
But everyone was 「Nothing here」...they left thinking that.

Yup.

Nothing here.

That's right.

My heart isn't hurt, I'm not crying.

I'm not imagining Krafy's breasts.

There's really...nothing here...that's right...

「Fufufu...kusukusu...bu...fu...ahahahahahahaah...ahahaha!」

--I'm not hearing Arina's loud laughter.

Krafy's breasts is definitely softer than yours.

After receiving the pardon from My queen Arina, I walked tottering on the dark alley. The night is cold...My mind and body is cold.

I separated from Arina ten minutes ago.

We're going to leave Azalea City tomorrow to go to the demon king capital.

I'd like to return home and make various preparations.

Of course the homeless me asked 「In any case, let me stay here」but she said 「Don't joke with me, you intend to rape me again, die you trash」, and it's what you see right now.

It's your fault for not waking up after your breast was played with...

(Is there somewhere I can stay for the night...?) The hotel where I had sex with Arina is a no, so I walk around the back alley.

—Between buildings, I discovered a 『Staircase』leading to 『Underground』

Is this some sort of underpass?

If it's underground then the ground won't be cold.

I'm interested in the underground of the otherworld so for the time being let's go in.

「.....Oo, the wind is lukewarm」

The lukewarm wind blows up from the underground when I went down the stairs.

I'm thankful... My heart beaten up by Arina is being healed...

(Somehow, it smells good?)

How many times was it? The moment the『Lukewarm wind』hits my body, a 『Good smell』enters the hole of my nose.

I felt I smelled this before somewhere.

Is this smell the same on the time when I entered the women's volleyball club in my former world? N-No, that was half a year ago already.

「.....!? Hey, Y-you...!」

——Finishing the stairs, I reached the 『Underground.』

Then the 『Underpass』I imagined didn't exist there.

There's just one 『Cage』

Inside the 『Prison』 is a woman with blonde hair that shoots out a bewitching atmosphere being held inside.

The candle is burned idly.

When that person noticed my existence, she slowly speak up.

「...Oh my. ...The one next to Matachi Arina, isn't it the cute boy」

Her blonde hair hangs a bit. There's no vitality left on her half-open golden eye.

She's still wearing the black-pink bikini and bloomers.

Both her wrists are connected to a 『Chain』, Both her ankles have iron wieght put on. Is this the place where the『Blonde bitch is imprisoned』?

「—Mirza Silkwire...?」

「Using my full name, aren't you quite formal?」

「... So you were left in a place like this」

「Yes. Since Matachi's seals my mana for a while, It's impossible for me to escape」

The girl across the iron bar talks over...

I can't imagine asking that bald math teacher's unsteady lesson.6

「You came to help?—.....nah, there's no way, right?」

「Nah. I just came her by chance」

「...Then, whaat? This place, you normally put it on the surface? Uge 』7

A surprised expression is unusual for Mirza.

That's right, I pay attention to that for no reason.

「Yeah. Furthermore, this magical iron bars can't be easily broken by people on this world? If your body is free you can do anything, Mirza」

「This world.....? W-well yeah. Or rather...I'm troubled here」

「That's right」

Saying that—I took a glance.

I looked at Mirza's breasts, looked at her beautiful muscular abdomen, looked at her thighs.

The busty blonde hair girl in chains. Yup...Sexy, —Should I play as a gentleman?

If I do I might have a chance again.

「...You, are you reflecting?」

「What?」

「...」

It seems that she doesn't repent right now...

「As the city owner of the Azalea City dispatched by the demon queen, the citizens have suffered from various things.」

「...Because it's an order」

「Even so. It's a fact that you did it. I don't know much about it though」

「....., Un」

「Then, let me ask you. Are you reflecting on it? Your sins won't go away if you reflect but, there might be 『A person』who will『Forgive you』」

Piku...Mirza reacted.

A slight movement. With her breast shaking that much, I can say 'As expected'

Mirza's arms are spread sideways by the chains but she turned here.

Thinking that, I tilt my gaze downwards.

「――Honestly, I think I did a bad thing... On my old days I was 『Saved』 by the demon queen... That's why...I intend to abide her as payback. Of course, there's also the part of me enjoying it but...」

「Then, you're reflecting」

「...Un」

「Would you apologize to the gum doll men?」

「...I'll do. ...I'm sorry」

Changing the tone from someone who looks down on people, her tone turned to a 『Lone woman』

There's no absolute in this world but I'm sure that there's no lie in Mirza's words right now.

『Azalea City's city owner』Mirza Silkwire.

.....I will 『Forgive』Mirza.....

「――Then, it can't be helped」

There's a small magic formation in the entrance part of the cage.

I reached out but―― There's no keys.

It seems that it opens and closes by reacting to 『Matachi's』power 「Y-You...Really?...」

「Yeah. By the way, Mirza. I want to ask but when you manipulate the gum doll men there's a 『Contract』done right?... What's that?

「...? E-err...『Kiss for ten seconds』...then『Contract Sign』and 『Opposite Sex's』would be carved on the body to control...?」

「—Oh?」

『Kiss for ten seconds』then 『Opposite sex's...』body would be carved with 『Contract Sign』

Doing so and the 『Opposite Sex's』body would be able to become 『Gum doll』, furthermore, it's possible to manipulate them freely—.

It's the true color of Mirza's magic.

I see, interesting. Or rather, it's 『perfect』 in this situation.

I approached the bewitching gold limbs and smiled broadly.

Mirza's body trembled and her blonde hair swings.

Thanks Arina. Thanks to Arina, this girl has no freedom.

「W-what...what's going on...? Aren't you going to help me...?」

「—Well, I thought of making the damn bitch who never kissed on their own until now experience being 『Kissed forcibly』」

「.....!? W-wait...! You...Stop thi—Nbuu!?!」

Then I massaged Mirza's soft breasts and snatched a kiss.

The softness is transmitten enough on top of the bikini. It's a bit bigger than Arina's yet, when I massaged it, I can feel the greater difference.

—gubu...buchuuu...chuu...gubuchuu...!

—Monyu...monyu...monyu...monyumonyu...!

Mirza lips is sucked and absorb my saliva one sidedly.

Before long, she got drunk from the pleasure transmitted to her breasts.

「Nfu...! Nbu...nfubu...chupa...chuu...n♥ hafuu」

「Hahaha... I was looking at this the whole time we're fighting...this boobs...big tits!」

「Nfuuu...♥ Ha...puhaa...! Wait...I told you to stop this at once...! This chains...if you remove the chains, I'll let you do as you please」

「Are you an idiot?... There's the chance that you might run if I remove the chains!」

「—Aunbu! Gubu, obu...♥Nn, Nnu...! Ah, han~♥」

The lukewarm air that's peculiar in the underground heated up.

While I taste Mirza's saliva from her mouth, sniffing the scent of her blonde hair, then— sucking the lips of this lewd bitch again.

The damn bitch Mirza's pussy would probably raise a cute scream if I thrust my huge dick in her 『Loli Pussy』—

## Chapter 8: Attacking the loli pussy inside the prison.

The southwest of this world, first town Azalea City.

It's an area rich in nature, the urban area prospers.

For me it feels quite a common 『Otherworld Town』

Azalea City's city owner: Mirza Silkwire.

Mirza gave severe constraints on the citizen as instructed by the demon queen's side, defeated by me and Matachi Arina and right now she's in the 『Basement』 connected on 『Chains』

「Nfu...nuu, nfufuuu...! nbu, gubu...chu, chuu♥」

With both her wrists chained on the wall, both her hands were spread horizontally.

Both her ankles are chained on iron weights.

She had worked evil deeds and manipulated a lot of 『Gum Doll』men, Mirza is strictly bound, she's caught inside the prison.

「—Puhaa...haa...haa...n...! Bubuu♥nfuu, fuun...」

Gubugubu, peropero, chupachupa...

I, sucked over the adult glossy lips again and again.

As expected of Mirza. She can't ward it off well...but she's feeling it.

「Obo...fuu...♥nfuu,nfa...chupa...chupoo...puhaa...♥」

A 『Kiss for 10 seconds』with an 『opposite sex』and a 『Contract sign』 would be engraved on the body, It's a magic that can make you freely manipulate the 『gum doll』

That's the true nature of the magic of this blonde damn bitch in front of me.

That's why, when it reaches nine seconds, I separate my lips and take a breath then steal a kiss again...and repeat.

「How's it? Usually it's you who does the kiss but someone like me forcibly kisses you...buchu...buchuu...!」

It's regrettable that I'm not an ikemen.

「Nbubuuu...♥habu, chu, nchuuu...! Haa...haa...♥」

「If you have something to say then say it」

「—Ha, a...uguu...」 ...A, ahaa... eh, that's clumsy...♥you don't know the foundation of kissing...kusu...are you a virgin?」

「Oh? Saying that means that Mirza is really a bitch?」

While saying that, I pulled the bloomer on top of Mirza.

「——Ah, hyaa♥ that place...ha...」

The high voice echoes on the basement.

This sensitive condition...could it be that she's...

「I-Isn't that...obvious...?」

「Obvious...how?」

「Ah...I'm not a virgin...♥——N,nfu...chubu, no...♥ kuu...I...made a lot of men fall for me」

「Here? In this bitch pussy?」

I gently stroked it without playing.

Then, Mirza had her big tits shake greatly as her back curved.

「Haa...♥ ah, haa... Stop thiiiis...」

「If you're a bitch, then you can feel it? Something like this...」

「Na...nnn...!—haa...♥...Haa...♥」

The bloomer got wet as I continue caressing it.

The 『Love Nectar』overflowing from the inside soon rides over the thin wall of her shorts, it has already reached here. Every time I touch it, it

makes a *GushoGusho* sound 「Ah, ahaa... I don't...feel it at all...♥」

Mirza's golden pupil brags, but it looks charmed—.

「Or rather...You, weren't you going to help me...?」

「I wonder. ...Ah, I'm called Jinai Hayato. Mirza-san」

「...Jinai Hayato?...it doesn't matter so release me? Or what is it...does virgin-kun desire my body...? n...」

Mirza returns to her cocky attitude once I stopped rubbing her bloomer, she's more or less a fool. She's really a fool.

—The desire is burning inside me already and she it was fueled even further.

I licked my finger that's filled with love nectar.

「haha...」

「...What are you doing?...」

「It's good?」

「I don't know...」

After settling down, I went back from Mirza's tie by two steps.

Behind the bars are the stairs.

The lukewarm wind wrapping this underground has begun to stink—.

「—Ahaa...? What are you staring at...♥」

The blonde big breasted girl that has『Chains』depriving her freedom, Mirza Silkwire.

Her huge breasts wrapped in black-pink colored bikini, her thighs, her knees.

After ten minutes— that was the time since I visited the underground feels like the strength is lost.

Piku...piku...pikun...!

Every few seconds, the body makes a quick shiver.

There's a charming ray of light crawling on Mirza's nape.<sup>1</sup> Fascinating sweat.

I didn't miss it and approached Mirza, I stick to her nape—.

「Juru! Jururu! Juruchu!」

「Ha...ahn...! S-stop this...♥ Un, uun...!」

「...You should be showing this one soon」

「Kya!?...yaa♥ d-don't remove...n♥」

I put my finger on her bikini and pulled it with all my strength——  
Buruun!! Her pure white big raw big breast shook in front of me.

The Areola and nipples are pink and the size is about average. Rather, with the size of her breasts, the pink areola and nipples looks 『small』

「Haan~...!」

「Uwaa...! It's even bigger than Arina's...!」

「Haa...ah, ahaa...♥ Isn't that obvious...! Don't underestimate me...I won't lose to Matachi Arina...♥」

「Then you won't lose in 『 2 』too?」

「—Eh?...Nhaaan! Wait...sucking it suddenly...♥」

「Chu! Chupa! Chupa...! Oh...You don't seem to lose in『Sensitivity』」

In the middle of the fight, I suck at Mirza's breast every time it shakes.

Her blonde hair shakes at both ends of my view and a sweet scent drifts.

「Chupa! Chu! Chu!」

「N♥ Han! Ea...uan♥」

Raising both Mirza's huge breasts using both hands, I sucked her nipples.

「Aha...haaa...! ——You're a helpless virgin-kun aren't you...? Do you really love my breast that much...?」

「Yeah, Mirza's breasts are the best. ——Chupa!」

「Ah...haa...u...uun...♥」

「...Chu, chupa...!...fuu」

Then, I stopped sucking for a moment and massaged her breasts.

It's a bit bigger than Arina's, a bit softer than Arina's3

Certainly, if it's limited to 『Breasts』It's a superior breast.

「Mirza, how many men have you experienced?」

「...Ha, haa?...Isn't it obvious that it's a lot?...」

「A lot? What? Have you done it with all of the gum doll men?」

「...♥Y-yeah right? I eat all the men I like?」

「Fuun... ——Lick...jururu...!」

「N...♥ It's ticklish...♥」

Licking the armpit of her wide open right arm, Mirza gasped.

She didn't sweat after the battle yet her armpit has plenty of sweat, it's a scent that excites men so much.

「Jurururu...jupu...juchu...!」

「Haaun...n...n...♥ there...stop...nhaaa!」

——She has a lot of experience with men?

—She eats the men she likes?

That's a joke, Mirza Silkwire.

「Haa...haa...haa...haan...♥noo...!?!」

I put my hands on her bloomer while grinning, then I took it off.

Would she stop reflecting if she exposed her 『Most important part』by herself The chains connecting her make a *Gashaaaan!* sound.

「That...any more than that...♥」

「Isn't this a bitch pussy that took in a lot? Then isn't it fine? Let me see it...Mirza-san!」

「Agu...u...!」

Under her bloomers is a black shorts.

After I enjoy myself touching Mirza's plump waist, the black shorts was taken off quickly.

「——Noo...♥」

「...This is...」

—Under the black shorts is Mirza's defenseless private part.

Her 『Golden Pubic Hair』grows thinly. The condition of her pubic hair is like on the first grader's growing stage. Different from her hair it's straight...what's this, too erotic.

The vital pussy has its entrance completely shut.

Purunpurun, her pussy's 『Entrance Meat』is closed tightly, It's atmosphere is as if it's blocking all of the things coming in.

But it's the same as Arina's, it's dripping love nectar from the gap...it's cute.

「This is the bitch pussy that took in 『a lot』 of dicks?」

「...T-that's right...? If men entered it...they cum right away...」

「Mirza-san? is pierced and came?」

「Ahaa...not even once...I never came...♥」

I squat and nodded silently.

This damn bitch magic using blonde big breasted Mirza is poor at lying.

Or rather, it's not wise to bluff if you're already exposed.

I guess her foolish pride of 『I want to look down on others』is too much. Then, I must correct it.

With my—『Nonstandard big penis』

「D-Don't look at it closely...!? Fuaa...♥ your breath is hitting me...」

「It's a cute pussy. 」 There's a lot of juice coming out」

「Ngu...ah...ah...♥」

I touched Mirza's meat with my fingertip.

A wonderful elasticity. A obscene glitter is seen, reflected by the candlelight.

「——It should be getting hard soon? 『Bluffing』is」

「Ku...kuuuu.....!」

「Tell me the truth, Mirza-san. Then this 『Chains』would be removed, in one way or another, the 『Seal』can be removed—」

When Mirza noticed, my belt is unfastened and...I undid my pants. The thing I took off from my pants is already at the 『Fighting』state.

「Ah...ah...I...haa...♥」

Bashfully facing the inside of her lap, Mirza finally spoke up with a small voice—.

「I'm...a virgin...♥ I never had sex even once...e—even my breast, it's my first time...being touched by you...massaged...♥」

「I wonder—」

「Hyaaaaaa!?!」

I opened Mirza's mead with two fingers and looked『inside』

The symbol of purity, 『Pink Vagina』just like her areola and nipples.

There's a limit for the width of my two fingers to go in, next to it, her 『Pink Hymen』can be seen. It's very thin and an honest membrane.

Gichu...gichu...

Her vagina repeats contracting and expanding from the embarrassment of being seen.

「Uwaa...what an erotic vagina」

「Eh, pervert! Even I...get away for a moment...?」

「I see. Well, even if you go back...you can't escape」

「——Can't escape...? wait...? That's not what we talked about...! If I say it honestly you'd let me go——」

Then, I stand up taking off my pants.

The underpants on my lower half.

Mirza glanced at my underwear immediately and was surprised.  
Dumbfounded.

After all, an impossible degree of big tent was there.

「Hiii...!? Ah...haa...!?」

「If you tell the truth...I might remove the 『Chains』, and I'd do something on the 『Seal』 But, after I'm satisfied...

「U...haa...? W-wait a moment.....! wai, hya!」

I won't wait. You think I'd wait.

I put my hands on my underwear. I approached Mirza.

「I told you to wait...——! I'm already reflecting...! I won't make people suffer anymore...! I won't use them till they get exhausted...! That's why...

hey...? Aha...ahahaha...——Nooooo!」

Just how long are you going to lie?

Humans are creatures that won't learn unless they receive  
『Punishment』

That 『Punishment』is 『Pleasure』so thank me.

Gashan! Gashan!

Gashaan!

Gan! Garashan!

Mirza acts violently and the chains make a loud noise.

But——her golden pubic hair growing and 『That place』—

「Haa...aaa...wait...I'm telling you to wait...♥」

——Seeing my penis in front of her, it spilled love nectar.

The head of the penis holds high, the length and thickness level is 『Too abnormal』to this world. A thick cock. Big dick.

Mirza nailed her eyes on 『my penis』

『My penis』reflects on her golden pupil, the raw milk4 trembles, she's drooling from the corner of her mouth and breathes indecently.

「What's taht.....? That...that's♥ what magic is that...」

「Unfortunately it's not magic. I'm this big since I was born」

「—ngu...gokyu...♥puhaa...aaa...♥」

「Oh? You drank your saliva... You're aroused? Me too actually」

Biku...biku... The big dick was wrapped in the lukewarm underground air.

It has even a stronger 『rape feeling』than the time I did it with Arina.

——I'm going to violate the blonde big breasted beautiful woman's 『Loli pussy』while she's tied in chains.

『Ten seconds later』just by imagining it makes me want to cum already.

「Telling this on this timing won't go in your head but I'm an 『Otherworlder』 That's why my penis bigger than any man in this world」

「D-don't joke with me...! Like hell I'd believe that...♥」

「Therefore, I just told you just in case—Kuu!」

「—N, N♥」

Her huge breast shook. ♥5

As a habit, I made the glans hit the 『entrance』wet with love nectar, kupaa——It made a lewd noise as it 『Opened』, the glans successfully went in.

Though the glans just entered it felt tightening.

Her pink colored vagina is surprised, panicked, it desperately moved to 『Eliminate』it.

——Her loli pussy is the same as the appearance.

「Naoo...! It's just the tip, yet...♥」

「That's true...gu...gu...! but...!」

「Fuguu...♥ N...nooo...!? waii...it won't go...hiii♥」

But——

It inserted smoothly more than Arina. ♥

The reasons are, her love nectar 『Excretes greatly』and the 『slimy feeling is strong』I guess 「As expected, a bitch is a bitch...! Mirza...!」

「Auaaa♥ it's coming in ♥ peniis...! Inside me...♥\」

「How's it...!? It felt good doesn't it...? My...My...!」

「—Ah, liii ♥ Hyau ♥ Ngua...! Agu...uu...oooo♥」

Her narrow vagina was opened up by force.

Large amount of love nectar wrap up Mirza's vaginal track, it firmly adjusts to the abnormal size of my penis, it's accepting it.

Gichu...gichuchu, gyububuuuu...!

—That appearance can be called a 『Bitch』

Flirting with any man a 『small bitch』 『Bitch loli pussy』

「It's on my deepest ♥ Haaan! Oh ! Ooh! I'm weak there♥」

「I'm glad then!」

「N, N, N ♥ Noo♥ Hayatoooo♥ Nhaaaa♥」

The girls absolutely love it 『Big』

Tormenting her with a big dick, spreading, hitting her deep— She can't help but her innermost feelings drowning on pleasure.

That's definitely it.

Or rather, it's a fact.

Matachi Arina and Mirza Silkwire proves it.

「Then enjoy the pleasure in the deep, deep6 inside you!」

「Ahii ♥ Noo ♥ My womb...!? It's being smashed♥ tee...♥ohoooo♥」

Mirza gasps on as she's 「Weaker deep inside」but my penis hadn't have two thirds of it inside yet. My remaining one thirds would violate the 『Deepest of the deep』

Gichuchu! Gyugyuchu! Gyumyuuu!

Exhaling greatly after pushing up my waist, I crushed her womb.

Mirza extends both her arms and legs, her two ripe fruits stick out, and her mouth drooled greatly she gasped.

Her abdomen is what I expected. —It's swelling.

「I-It's too biiig...♥ Haa~...Haa...aaa...♥ This is such...I don't knooooow...♥  
My important womb is...♥ is being crushed...♥haa...nah♥aaaaa♥ Nooo...!  
I-I...♥」

「――You're breaking!?!」

「I am...! My pussy...my womb...my head...♥♥ Haya...too...! Please...  
remove the chains...♥」

While I stretched both my hands I pushed up just my waist while  
remaining still Perhaps, Mirza wants to embrace.

To endure the unusual pleasure, she wishes for at least a minimal  
tranquility, she wants to cling to me with all her might I guess.

「Does it really feel that good...? is it tough...?」

「Haa...♥ I-It is...♥ I'm going crazy...I'm going mad♥」

「――.....gu...then...this――」

Gyumiyuchuchuchu――nyubuun...

Pulling my waist, I pulled out my dick from her loli pussy.

Thanks to the『Bitch's Love nectar』, it was easy to pull out.

「――!?! Ha...♥Hyaaaaa...♥eh...eh...!」

Mirza's expression changed to greedy.

Her vaginal entrance that had my penis inserted was open for a few  
seconds, it's dropping love nectar to the ground of the basement.

Her nipples and armpit had the candle shine with 『my saliva』

「It must've been hard for you?」

「Haa...ah...♥」

「My penis is too big that it hurts? You want to run?」

「Haa...♥Haa...♥Haya...too...♥」

「――Is that so? Juru...!」

「Uuuun...♥」

I stick out my tongue again and licked her armpit.

Mirza's cheeks are dyed red, gyuu, her eyes were shut hard.

「What's wrong? Tell it yourself...」

「Ua...♥aaa...♥」

The gloss is lost and her blonde hair is in disorder.

Her body trembles and the chains make a sound at the same time.

Mirza—I.

At this point 『Why are we having sex』is something not thought of.

We only demand the 『Highest Pleasure』from each other

「—Aaa...aaahaaa...♥♥」

Mirza—smiled obscenely like she's enchanted.

The 『Personality』that she had when we first met in the back alley is not here anymore.

「Just a bit more...I'm...about to cum...」

「...Fuwa...」

「Hayato's big penis...just putting it is going to make me cum already...♥」

「...Then?」

「Aha...T-that's why...p...p...—please...♥」

Then...bowlegged, she desperately fawned over me.

The Mirza right now is on the limit, it's the best flirty pose.

「The...chains...or the seal doesn't matter anymore...♥ Here...here... here...♥ My pussy...! Hayato's big penis...! Forcefully thrust it in and make me cum♥」

「...! Mirzaaaaaa!!」

Arousal after arousal. Boiling. Exploding.

I embraced to the disordered body and inserted again.

—Gyuchu gyuchu gyubububuuuu!

I 『Spread her vagina』without taking my time.

But, with the excellent tightening, Mirza began to accept the pleasure,  
Her vagina 『Moves Lewdly』then My big penis feels pleasant.

「Mirza! Mirzaa!!」

「Hlguuun ♥ Again ♥ It came in agaiin ♥ The super big dick♥——  
Nooo♥ womb! Crushing my womb, noooo~♥」

「Ha! Ugu! ...no good...dammit!」

「Ah♥ I ♥ Cumming! Cumming ♥ I-I'm showwy—iiii♥♥」

「——!？」

Gashaaan! Together with the golden sound, the clinging Mirza had her  
body convulsing. Of course, her vagina too is tightening abnormally.

Poking her abdomen that has budged due to the influence of the womb  
is crushed by my finger and Mirza's convulsions got violent and came  
『again』

「Waaaaa...♥ Haa ♥ Aaaaaa♥ noooo...♥ It feels too good...!」

You came twice earlier than me...! You really seem to be reflecting...」

「I knooow...♥ I know ——Soooo...♥ Aha... ♥ Hayatooo ♥ Hayato's  
『Semen』 in my womb...release it already ♥」

「Ah...aaa...! Even if you tell me that...!」

「Semen...! Release your semen...I'm sure, again...♥ han~♥」

—Gyuchu! Gyuchu! Gyuchucyuchu!

I can't endure.

—Pan! Pan! Pan! Pan! Pan!

The moment I felt so, I put my hands on Mirza's plump back that I can't hug her stronger than this, panpan, I nailed my waist.

Aaah, the best.

While being wrapped in her fucking huge tits, I ejaculated directly in her womb.

It's the『Best pleasure』for a man—.

「Aaaaaa! I'm cumming...! Inside...! Mirzaaaaaaa!」

「Naaaaaaooooo♥ Ejaculating ♥ inside the bad girl's womb ♥ I'm forced to copulate ♥ hi——n, Aaaaaaa ♥ Cumming! Cummmiiiiing♥」

—Byubububuu! Byububububu!

She didn't convulse this time, Mirza clinged to my body from head to toe, then the semen was spit out on her crushed womb.

A noise came out from the swelling of her abdomen.

...It's a complete womb ejaculation. ...Recognizing it, the semen was released further.

—Byubyu! Byuru... byuru...!

The ejaculation doesn't stop. The orgasm doesn't end.

Mirza tastes the climax just like me, the beating of her heart goes *Dokudokudokoku*...it pulsed strongly.

「Haa ♥ aaaaaa...♥ too...amazing...♥」

「It felt really good...Mirza...!」

「A, ah...♥ dangerous...l...hama...chauu...♥ haa...haa...n...」

Then, just like that we fell down on the ground.

Mirza down, and I'm covering her from above.

—When I noticed, her 『Chains』and 『Weights』are missing.

Then, I can feel the 『flow of magic』from Mirza's soft body. Matachi style seal ceremony has been released I guess...or rather, I probably did it.

Since I'm not used to using magic yet, I don't know well.

「Hey...Hayatoo...」

「What?」

「—...I promise that I won't do anything bad so...just for Hayato...can you make me your pet slave...♥?」

「.....Mirza-san...」

Blonde, bewitching appearance, voluptuous breasts, and her plump body.

—Underground that's only lit with a candle.

I stick my lips with Miria inside the prison.

I moved my waist without permission, that's quite like me.

「Buchu...chupa...♥nfu...han,ah...♥chu...chuuu...」

「Chuuu...! Chuuuu...!」

「—nbu, puhaaa...fuuun, chu...bupo...chu♥」

「Haa...Haa...M-Matachi Style, Seal ceremony 『Kai』—...」

「Hau...naaa♥chuu...chuu...chuupu...♥nfu, nfu♥」

「Mirzaaa...!」

「Chu~~~~♥chuu...haan...hayatoo...♥iyaaan~♥」

Magic overflowed in my body and Mirza's body was coiled.

Still, the kiss didn't stop. I kept devouring Mirza's lips.

The magic I copied from Arina...what is it?

—『Her magic can't work out without my permission』is the 『Seal Ceremony』

Someone who can't use magic can't do anything in this world and are equal to 『enslavement』

「Byuuu...nbu...chu...—♥Ahaa...」

A 『New heat』is generated in my body.

——The magic that can make the 『opposite sex』turn into 『Gum doll』  
that can be manipulated by having a 『Kiss for ten seconds』

...There's no need for me to use 『Seal ceremony』to Mirza, but I'll keep it  
in stock just incase.

Then, the morning dawned slowly——.
